WYOMING
CITY SCHOOLS

October 31, 2025

Dear Wyoming Primary Families,

It is hard to believe that we have already made it through the first trimester! You should have received your child's report card in their Thursday Folder yesterday. Please note that school fee sheets are included and can be paid any of the following ways:

- Online: Through [PaySchoolsCentral](#). (Instructions on how to create an account can be found below.)
- In-person: By check (payable to Wyoming City Schools) or cash using exact change and dropped off at the front office of your school.

Fees are due October 31st. If you have questions about these fees, kindergarten tuition payments, or need help setting up a payment plan, please send me an email at earhartj@wyomingcityschools.org.

If you weren't able to join us for Math Night, you can still take part by trying out these fun math games at home. They're a great way to make learning both meaningful and enjoyable and you can access all of the [games from Math Night in this folder](#).

Conferences

Parent-teacher conferences will occur 8:00 a.m.-3:00 p.m. Monday, November 3, 2025. An email with links to your child's teacher's schedule was sent out last Friday, Oct. 17. If you have any questions or cannot meet at an allotted time, please reach out to your child's classroom teacher.

Student Celebrations

Our Vermont School third graders and their families have been hard at work packaging tea made from herbs grown right here in our Primary gardens! This special tea will be sold to the Wyoming community, with all proceeds supporting our sister school in Sierra Leone. It's a beautiful example of learning, service, and global connection coming together!

Scholastic Book Fair Coming Soon! We are excited to be gearing up for the annual [Wyoming Primary Scholastic Book Fair](#) 3:30-7:00 p.m. November 10th-12th at the [Wyoming Civic Center, 1 Worthington Avenue](#). A portion of the sales will go to our primary libraries. We can't make this event happen without our volunteers. If you have the time, we would be so appreciative of your help. [Please use this link if you are able to sign up to volunteer at the book fair.](#)

Have a great weekend!

Warmly,

Jenn Earhart
WPS Principal

Upcoming Events

Instructions for Creating Accounts for Online Payments:

To create a PaySchools Account for **instructional fees**:

1. Go to [PaySchoolsCentral](#)
2. Select Wyoming City Schools
3. Use your child's school ID number to create this PaySchools account.
4. If you have already created an account on PaySchoolsCentral for lunch fees with Milford Schools (our food service partner), you will need to create a new account with a different email.

To create a PaySchools Account for **lunch fees**:

You will need to use a different email from what you used for instructional fees. You can create an account and add money to your student's lunch account at [PaySchoolsCentral](#), too. When setting up your account, be sure to have your student's ID handy and 2 tips: the school you are looking for is Milford (they supply the food for our schools) and you need to add a "4" before the student ID in this system.
