Thanksgiving Break Arriving Soon

Dr. Dan Keyser

District Administrator

November is a month of reflection and a time to give thanks.

We honor all Veterans for their service and Sacrifice as we host Veterans Day events at our schools this month. We're excited to showcase the talents of our students in our concert and fall musical.

As we approach Thanksgiving, we want to remind everyone that there will be no school on November 26th, 27th, and 28th. We hope you have a wonderful and safe Thanksgiving break, filled with family, friends, and good food.

Updates throughout the Schools

Stoughton High School

What a fantastic Trunk or Treat! Thanks to the Stoughton Unified Club & all participants for a wonderful evening. Student Council starts a non-perishable food drive Nov. 3rd for the SHS Care Closet—please consider donating items to support students in need. We also invite the community to a special Veterans Day breakfast to honor those who have served.

River Bluff Middle School

This month, we will celebrate Change Makers, who have demonstrated excellence in upholding the RB Social Contract along with community Veterans in an all school assembly. Students will be forming teams and competing on 11/14 to see who will face their grade level teachers during the annual Staff vs. Student Volleyball games before break.

Fox Prairie Elementary

November is full of community fun at Fox Prairie! Join our Food Drive (Nov 3-7), honor our heroes at the Veterans Day Program (Nov 11), connect at the Family Breakfast (Nov 14), get creative at WFK Paint Night (Nov 17 & 19), and end the month cozy with PJ & Stuffy Day (Nov 25)! Mark your calendars!

Kegonsa Elementary

Kegonsa launched its first Student Advisory Council with ten 5th-grade leaders guiding building-level work around belonging. This expands on last year's peer success, proving that authentic student leadership boosts engagement and connection. We are proud our leaders are shaping the culture of Kegonsa!

Sandhill Elementary

Congrats, amazing Sandhill readers! Students read over 32,000 minutes during the read-a-thon, with one class topping 3,595 minutes! We're also excited for upcoming field trips. Plus, our Year 2 Recycle Project is underway: we've collected 279.6 lbs toward our 1,000 lb goal. Keep up the great work!

4 Year Old Kindergarten

In November, 4K friends will explore "Our Community," including local workers and neighborhood types. Literacy focuses on phonological awareness (manipulating words and syllables). In early math, they will learn location words (over, under, near, far, etc.). 4K friends will show their greatness by being Helpful, Joyful, Healthy, and Safe!
