### A Note From Your Principal:

Hello Roadrunner Families,

So many exciting things to share! Hopefully you've seen on our social media and Class Dojo by now, but with your support, we smashed our previous years' pledges and raised \$12,405 for our school through the APEX Fun Run! We can't thank you enough. Teachers received 10% of what they raised to use as needed in their classrooms on supplies, student incentives, etc. We also want to thank you for your support in making our Fall Festival a huge success! We loved seeing all of our families! Thanks to our many sponsors, friends, and families who volunteered time (or their car!). We're already looking forward to our Spring Carnival! As usual, the proceeds from these events go directly back to our students and staff, and with budget cuts, your generosity and support are appreciated more than ever!

I am excited to let you know that our school was selected to receive donations and 150 volunteers through United Way and its corporate sponsor, DaVita. The volunteers were on campus on 10/29/25, engaging in various tasks, including beautifying our front and courtyard landscaping, sprucing up our staff lounge areas, and helping with class projects! Not only did they donate their time, but they also donated all the items needed, from furniture, plants, and decorative rocks to garden tools and a new garden shed! We are so grateful to United Way and DaVita, and they have been so wonderful to work with throughout the planning process, very dedicated to making our school shine for our kiddos and staff!

*Your Partner in Education, Mrs. Razawong*

## Family Engagement

Thanks for your support at the Fall Festival (donations, volunteers, and participants)! Thanks for helping us raise money to purchase supplies for our classrooms, incentives for students and families, as well as purchases to make our school better!

We know that these next few months bring many exciting holidays and traditions. Please complete the Family Values Survey to help us know more about how we can represent your child(ren) in our learning environments!

## Tucker's Corner

November is a great time to focus on empathy and gratitude! Encourage your child to share one thing they are thankful for each day at dinner. Discuss how focusing on the good things helps us feel happier and more positive. Being grateful is a simple but powerful way to boost mental well-being and see the world differently!

We can also look for small ways to show kindness and give back to our community. These actions build connection and teach students the joy of helping others!

## Staff Spotlight

**Name:** Aimee Shreve

**Position at Roberts:** KIDS Teacher

**Hometown:** Pittsburgh, PA

**Favorite Food:** Italian

**What's the best part about being a Roadrunner?:**

It's awesome working with such supportive colleagues!

**Fun Fact:** I lived and worked on Captiva Island, Florida, before becoming a teacher. I was an activity coordinator in the recreation department at South Seas Resort. Best job ever, ocean views all day!

**Our Boys Town skill of the month is Accepting No.**

**We do this by teaching these steps:**

1. Look at the person.
2. Say, "Okay."
3. Stay calm.
4. If you disagree, check back later.

## Very Important Parent Partner

The V.I.P.P. for October was Ms. Krystal Paynther, who has a student in Ms. Sage's class. Ms. Sage said that Ms. Paynther is an amazing mom who is a great partner for Ms. Sage in helping Kynnedi reach her full potential! Congrats and thanks for your partnership, Ms. Paynther!

## A Note from the Health Office...

Parents, please monitor your child/children and keep them home if they are sick.

If your child is prone to accidents, please send them with a change of clothes and make sure all items of clothing, backpacks, and lunch boxes are labeled.

**\*\*DO NOT SEND MEDICATION WITH STUDENTS TO SCHOOL. ALL STUDENT MEDICATION NEEDS TO BE CLEARED AND KEPT WITH THE HEALTH OFFICE.\*\***
