Clemente Martinez Elementary School
School–Parent Compact
2025–2026 School Year

What is a School-Parent Compact?

A School–Parent Compact for Achievement is an agreement developed collaboratively by parents, students, and teachers. It outlines how each group will work together to ensure that all students meet or exceed grade-level standards and thrive academically and socially.

Jointly Developed

The compact was developed through collaboration among parents/guardians, students, and staff at Clemente Martinez Elementary.

- Teachers worked with their grade-level and content teams to identify strategies parents can use at home.
- Parents provided input during Title I and Family Engagement meetings on the supports needed to help students succeed.
- Student voice was included to ensure ownership of learning goals.

The compact is reviewed annually to align with our school goals and updated based on family feedback and data outcomes.

School Goals

- Grow staff capacity to provide the highest quality instruction.
- Improve literacy and math proficiency in Grades K–5.
- Foster strong family–school partnerships built on shared responsibility.
- Ensure every family feels welcomed, informed, and empowered to support learning.

Our Goals for Student Learning

At Clemente Martinez Elementary, we will:

- Provide a high-quality, differentiated curriculum to ensure growth for every student.
- Maintain a positive, safe, and engaging learning environment.
- Offer multiple opportunities for family engagement.
- Promote a growth mindset and teamwork among staff, students, and families.

Teachers, Parents, and Students – Together for Success

We believe open communication between home and school is key to student success:

- Parent–Teacher Conferences (scheduled and by request)
- Progress reports every three weeks
- Weekly positive phone calls

Parents may request meetings or feedback opportunities at any time by contacting the school office or their child's teacher.

Activities to Build Partnerships

Teachers, Parents, and Students – Together for Success

In the Classroom, Teachers Will:

- Create an engaging learning environment that promotes critical thinking.
- Provide clear learning goals, feedback, and differentiated instruction.
- Communicate student progress regularly.

At Home, Parents/Guardians Will:

- Support Their Child's Learning
- Ensure regular attendance and punctuality.
- Provide a home environment that encourages learning, including time for homework and reading.
- Talk regularly with their child about school experiences and encourage goal setting.

Students Will:

- Be open and honest when needing help.
- Act appropriately and avoid disrupting the learning environment.
- Come to school prepared to learn every day.
- Hold a growth mindset and strive to meet personal goals.
- Be team-oriented and show pride as a CMES Wolf!
