### *Kerrville ISD Will ...*

Provide students with engaging, rigorous, personalized (academic and character building) learning experiences that meet individual student needs, foster student ownership of learning and develop skills for lifelong learning in a safe environment.

Develop future-ready students and build a strong academic foundation in literacy and math by working to have all students reading on grade level by grade 3 and by preparing all students to successfully complete algebra coursework.

Empower all students to identify post-secondary pathways and provide personalized support for college, career, and military readiness through Science, Technology, Engineering, Arts & Math (STEAM), Career and Technology Education (CTE), workforce certification, college credit, Advanced Placement and other program opportunities.

Recruit, develop, support and retain employees who are student-centered, focused on professional learning and improvement, passionate, innovative, collaborative, goal oriented and ethical.

Maintain sound fiscal management of district budgets by aligning resources to improve student learning, ensure future-ready students and meet district goals while continuously advocating for an adequate and equitable Texas public school finance system.
