

# ORA Title 1 Compact

## 2025-2026

### What is a school-parent compact?

A School-Parent Compact is an agreement that families, students, and teachers develop together. It explains how families and teachers will work together to make sure all students reach grade level standards.

#### We accomplish this partnership through:

Two-way communication via Class Dojo

Five Family/Title1 Nights (Annual meeting, Reading Night, Math Night, Science Night, and Family celebrations around the World)

Open houses and parent/teacher conferences

### TEACHERS

-Use WICOR strategies:

Writing, inquiry/colaboration, organization, reading.

-Provide resources for AVID binders that will increase student learning and success.

-Use Class Dojo to communicate and track student behavior.

Plan and implement rigorous and engaging lesson plans.

### STUDENTS

-Use WICOR strategies in class

-Keep AVID binder organized and use the resources in it to learn

-Participate in class discussions during learning cycles and contribute ideas that will help meet learning goals.

-Use strategies that help you learn.

-Work hard to earn Class Dojo points by being respectful, responsible and safe.

### FAMILIES

- Read together every night
- Reinforce school behavior expectations
- Ask students questions about their day: "What was your favorite thing you learned about today?" "Who did you play with at recess?" "What did you learn in math?"
- Keep communication lines open with your child's teacher.

### Vision

ORA will prepare every learner to achieve their fullest potential to be academically, socially, and emotionally successful in a global society.

### Mission

Together with families and our community, Oaks Road Academy will continuously improve achievement for every learner through a focus on high expectations, collaboration, and dedication within a supportive environment.
