MEDICATION POLICY

Medications should be given at home whenever possible. Only those medicines necessary for a student's medical care will be given at school. Most medicines a student needs, even those to be given three times a day, can be given safely at home. **Students are not permitted to bring any medication into the school (this includes over-the-counter medications and topical ointments), or transport medication on the bus unless it is a "life sustaining" medication and it is authorized by the student's physician, and you have contacted the school nurse.**

- All medication, prescription and over the counter, require a physician's order and completed medication authorization form. Without this form on file the medication will not be given.
- All prescription medication must be labeled and in a current, original, pharmacy-labeled container which includes the student's name, the name of the medication, the dose, time, route, and current date.
- All over the counter medication must be in the original packaging.
- All medication orders expire at the end of the school year. New medication orders are needed for the start of a new school year.
- Changes in the medication, the dosage, time, or frequency of administration must have a new medication authorization form.

** Medication Authorization forms can be obtained from the school nurse and are also available on the Carroll County Public Schools website.

All prescription medications that will be taken by students while at school must be given directly to the school nurse by an adult. Office staff may not accept medications at any time.

NEW CHANGE TO MEDICATION POLICY

Ibuprofen and Tylenol require a physician's order and completed medication authorization form. We no longer have the discretionary medication policy.

Attendance Procedure Reminders

Class begins promptly at 9:15am, if arriving afterward you **MUST sign your child in** on the yellow Arrival sheet just inside the front door and have them take a Pink Tardy Pass.

When completing the Arrival / Dismissal sheets please remember **APPOINTMENT is NOT an acceptable reason**. In order to properly code the time out of school we need to know if it is a Doctor/Dentist/Etc., otherwise it will be entered as Unexcused.

Please utilize the MANAttendance@carrollk12.org to let us know of any absences, vacations, late arrivals or early dismissals. If you don't want to put a sensitive reason on the arrive/dismissal sheet you can email us what details you are comfortable sharing.

Vacations require at least two days prior written notice to be approved absences.

In an effort to prepare to dismiss our volume of students at dismissal time we request that early dismissals from the office are picked up prior to 3pm.

We can only release students to a guardian. Someone other than the guardian, including grandparents and emergency contacts listed on the emergency card, may not pick up a student from school unless we have written permission from the guardian we have listed on file.

We want to see every Bee in the Hive! If you are having difficulty getting your child to school for any reason, please contact administration for additional help and resources!

LUNCH TIME WITH STUDENTS

Parents/legal guardians who wish to eat lunch with their child in the school's lunchroom shall sign in at the school's office. It is required that all visitors present a government issued photo identification that includes a date of birth.

Per the Student Handbook (pg. 26), available on the [Carroll County Public Schools website](#), Parents/guardians who bring food for their child shall not bring food for or share food with other students. Visitors are only permitted to bring in or purchase on-site food for their individual student(s) for health and safety reasons.

At no time should pictures be taken where other students could be included.

If an adult other than the parent or legal guardian wishes to visit during lunch, that adult must have written permission from the parent or legal guardian sent to manattendance@carrollk12.org **ahead of time.**

Individuals who enter the school grounds or buildings and cause a disturbance or disrupt the school program are in violation of Public School Laws and will be dealt with accordingly. School administrators may terminate a visit at any time when a visitor interrupts instruction, distracts students or staff, or interferes with other students' right to privacy.

Visitors who wish to see instruction should arrange their visit in advance with the teacher and school administration to ensure that the time is appropriate and does not interfere with learning.

When leaving the cafeteria, please go directly to the front office to check out. We need to account for everyone in the building should an emergency occur.

In order to maintain a safe and orderly learning environment, Visitors who come for lunch should NOT participate in Recess afterwards. If they wish to observe their child at recess they must stay on the blacktop area and refrain from participating. At no time should a Visitor be involved with children other than their own.

SECURITY PROCEDURES FOR THE 2024-2025 SCHOOL YEAR

For the 2023-2024 school year, the following procedures will remain in place. **In order to enter the building a photo ID will be necessary.** All visitors will be buzzed into the school following authorization. To leave the front office ALL visitors/volunteers will need to wear a visitor badge.

Below please find the procedures that will be in place at all schools in Carroll County.

Visitor Entry Protocol

- All exterior doors will be locked in the morning after student arrival.
- All visitors must ring the main entrance buzzer.
- Visitors will then be allowed to come into the main office.
- All visitors must show a photo identification card upon entry to the office.
- All visitors must be issued a visitor's badge (Except employees with a CCPS badge).
- Contractors and service provider's paperwork will be reviewed and verified.
- Visitors must return their badge to the main office and sign out with staff when leaving.

A PHOTO ID IS REQUIRED TO BE ABLE TO VISIT/VOLUNTEER AT SCHOOL. INDIVIDUALS NOT IN POSSESSION OF A PHOTO ID WILL NOT BE ABLE TO GO PAST THE FRONT OFFICE.

As a reminder, students not enrolled in Carroll County Public Schools are prohibited from visiting or shadowing other students while school is in session. This includes younger siblings.

Volunteer Training

Volunteer training takes place online. To access this, go to the Carroll County Public Schools website, www.carrollk12.org, and under the heading "Operations", click on the "Human Resources" link. Then scroll down to the icon for the Volunteer Program. You can then access a link for the volunteer training.

Parents and community members who are interested in volunteering opportunities for the 2023- 2024 school year will need to ensure their volunteer training is completed and have received an approval email prior to their scheduled volunteer service. Questions regarding the Volunteer Program can be directed to the Human Resources Department at 410-751-3070.

Important Information for Parents Emergency Cards

It is extremely important that you complete and return the Emergency Procedure Card that you will receive at our open house or on the first day of school. We ask that you please return it the following school day as we depend on this information to contact you regarding your child. Keep in mind throughout the year if you should happen to change jobs, get a new address or phone number or find the need to make a change regarding emergency contacts, please inform the office staff. We want to be confident that we can contact you in case of an emergency. For returning students, the Emergency Card that you receive at the Open House/Back to School event or on the first day of school will contain the same information that was provided for the previous school year with the exception of any emergency contacts listed after the first three contacts. Those extra names are deleted from the system year to year.

Manchester Elementary School will file one Emergency Card per student. Guidelines have been put into place for all Carroll County Public Schools to identify the adult who will complete the one Emergency Card allowed for each student. The one Emergency Card should be completed and signed by the parent with primary physical custody. In the case of joint custody, the Emergency Card is to be completed by the parent at the address to which the child is registered for school.

CONSENT AND RELEASE

Permission to Photograph, Videotape or Audiotape

Throughout the school year, the Carroll County Public School System frequently covers school activities and may use your child's photograph, video image, or voice for educational, informational, or public relations purposes, with or without identification by name.

If you do not wish to have your child's voice reproduced on tape or to have his/her image appear in such things as a video or a photograph, or on the school or school system website or social media, please notify the school principal in writing. It is assumed that parents and guardians consent to their children being audiotaped, photographed, videotaped, or having their image placed on a school website or social media by the school system unless such notification is received.

There are also occasions when the media cover certain school events (such as when a government leader visits a school). If you do not wish to have your child's name or likeness published by the media, you should address your concerns directly to the school involved so that the media is so advised. Please be advised that the school system has no control over the media when they are covering activities such as sporting events and musical programs that are open to the public.

Use of Student Work on Websites or in Publications

There may be times throughout the year when the Carroll County Public School System wishes to display student work on school websites, social media, or in publications. If you do not wish to have your child's art, poetry, writing, etc. appear on school websites, social media, or in publications, please notify the school principal in writing. It is assumed that parents and guardians consent to their child's work being displayed on school websites, social media, or in publications unless such notification is received.
