

BEHAVIOR MANAGEMENT PARENT, STUDENT & STAFF AGREEMENT

The success of a school-wide system lies in the relationship built between parents, staff and students of the school community. This relationship begins with communication.

- Parents will be informed about child’s behavior via ParentSquare, phone calls, notes in your child’s folder, think time reflection sheets, etc.
- Parents should sign and return all written communication the next day.
- If parents do not sign communication within the folder after 3 attempts, your child will be assigned a school mentor to review their folder with them.
- Teachers may only call parents during their designated planning period or after school. Teachers will attempt to leave a message if the parent cannot be reached. Parents should return phone calls within 24 hours.

BELIEFS RELATED TO DISCIPLINE AT HCJES	• The misbehavior of one student will not be allowed to interfere with the learning opportunities of other students. • The misbehavior of a student will not excuse him/her from successfully completing learning objectives. • Every discipline is an opportunity to teach expected behavior. • Expected behavior must be communicated, taught and modeled throughout the school year. • Parents have a responsibility to ensure that their children’s behaviors do not take away from a safe, orderly and academically productive learning environment.
