

Shepaug Valley School Fall Open House

159 South Street
Washington, CT 06793

**Thursday, November 20th
6:00–8:00 PM**

What to Expect:

Are you an 8th grader interested in applying to our Agriscience Program, or a prospective student curious about what Shepaug has to offer? Join us for our Open House! This is the perfect night to experience hands-on demonstrations from our students—welding, riding horses, showcasing animals, and more—while also hearing about academics directly from our department chairs. Come see what makes our program unique and discover the opportunities waiting for you!

Who should attend:

8th grade students interested
in the Agriscience Academy

Any prospective students
interested in Shepaug Valley
School

Community Members
