**1,628 teachers**

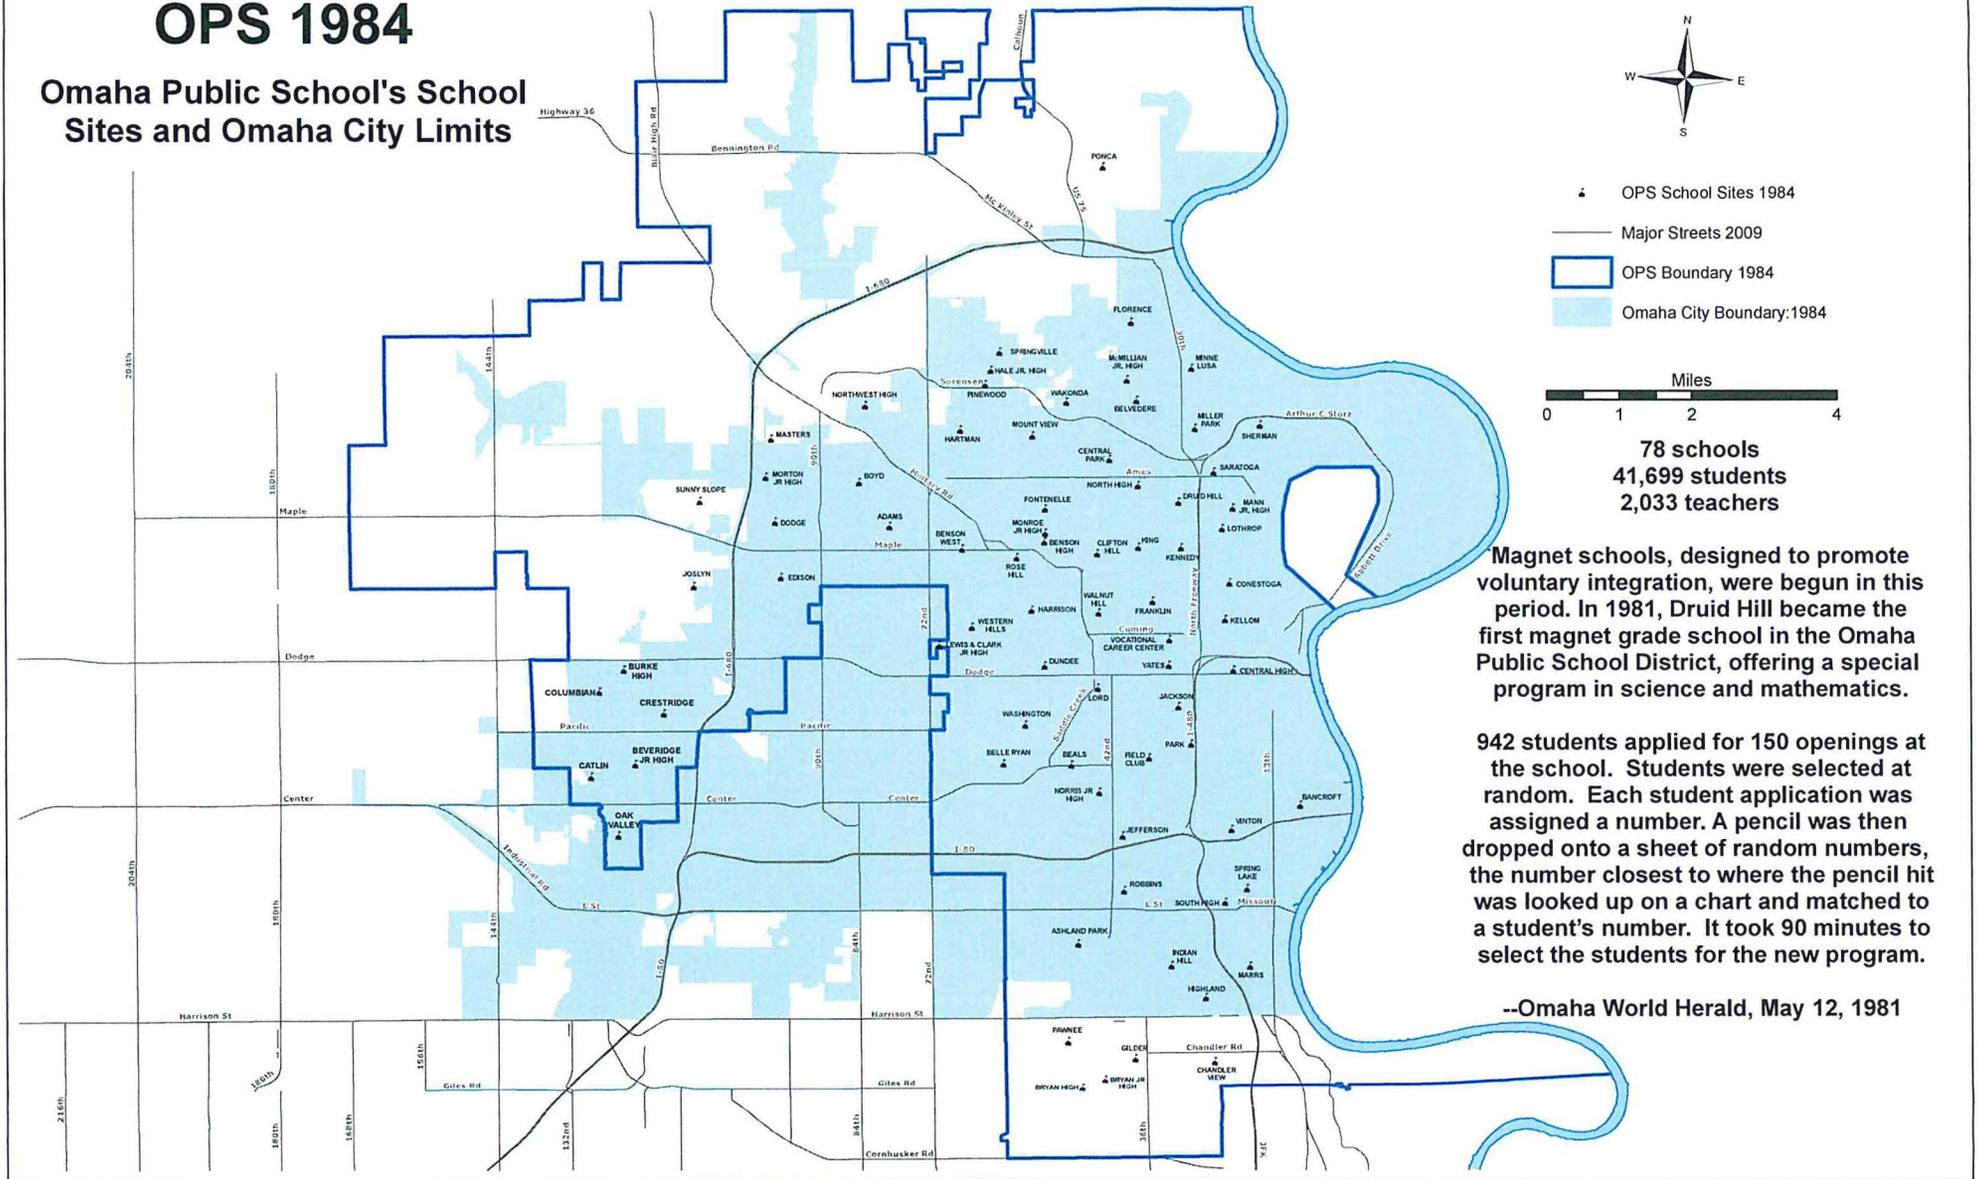

The Omaha Public School District doubled in size during the 1950s, growing from 45 to 90 square miles.

Junior High Schools were established "as a relief valve for crowded high schools and as a tool for revamping the secondary curriculum."

**80 Schools**  
**48,075 students**  
**3,820 teachers**

The district is experiencing its highest enrollment since the peak in 1970-71.

A new elementary school in the northwest portion of the district is set to open this fall near 144th and Fort St. The Saddlebrook Joint Facility project is a collaborative effort between the Omaha Public Schools, Omaha Public Library and City of Omaha Parks and Recreation for a community based public use facility.
