

Maintaining Your Student Meal Account

Making Payments

Payments for meals may be entered into a student's account on a daily basis or in advance.

Pre-payment is encouraged and allows for a more efficient meal time.

3 Easy Payment Methods:

- Cash - Please put cash pre-payments in an enveloped marked clearly with the amount, student name, student lunch number and/or teacher name.
- Check- Please make sure the student's name and/ or lunch number is written clearly on the check.
- On-Line- Payments may be made to your child's account via the internet using myschoolbucks.com. The site accepts credit or debit cards as payment for school meals.

Extra Sales Purchases

Students must have funds in his/her account or cash/check in hand, in order to purchase extra sale items, such as chips, cookies or sparkling juice.

Extra Sale Items are limited to 2 items.

Monitoring Student Account Activity

Please monitor lunch balances closely.

Parents may view purchases on their student's myschoolbucks.com account.

Parents may also contact the cafeteria or central office (662) 289-8765 to obtain student balance information.
