SHERMAN ISD

2907 W TRAVIS ST, SHERMAN, TX 75092

NEW MULTI-PURPOSE STADIUM

SHERMAN ISD

- Serves students in football, soccer, track and field, band, cheer, Hi-Steppers, broadcast/AV/journalism CTE programs and other extra- and co-curricular activities
- 8,000 spectator seats with great views of the playing and running surfaces. 5,000 home side seats including 1,700 chair back seats. 3,000 visitor side seats
- Utilizes the existing athletic field, track, field house, concessions and infrastructure
- New seating, restrooms, concessions, press box and parking
- Wheelchair-accessible restroom facilities to serve 8,000 spectators
- 4 new concession stands and 1 existing for a total of 3 home side and 2 visitor side locations
- Visitor locker rooms flexible for large teams up to 100 athletes, can be divided to serve two teams of 50
- Approximately 900 new parking spaces to serve the stadium and high school
- Improves security, handicap and wheelchair accessibility including wheelchair-accessible design for press box, and multiple seating tiers and locations on both home and visitor side
- Eliminates the need for busing and students driving to Bearcat Stadium
- Home stands on west side of facility will shade most fans from direct sun during evening events as the sun sets
- Bearcat Stadium will continue to be used as Sherman continues to grow and the district expands
