Connecting Youth of Color with Mentorship and Community

Who this form is for

These opportunities are designed for young people seeking support or connection through person of color, Latinx, or Indigenous-led programming. Use this form if you would like to refer (or self-refer) a youth for:

- 1:1 personal support or mentorship
- Group workshops or peer circles
- Professional development or training opportunities

Scan QR for Referral Page
or visit: <http://bit.ly/47LtieR>

Who can refer

- Parents or guardians
- Teachers or counselors
- Community organizations
- Youth (self-referral encouraged)

Confidential & Voluntary

We are committed to creating safe, supportive spaces where every young person can be seen, heard, and valued.

This referral form allows youth, families, school staff, or community members to connect students with additional supports or mentorship that reflect their lived experiences and identities.

Douglas ESD's Youth Development Team helps youth ages 12-24 with learning and life through a holistic system of supports. Youth Development programs are currently offered *free of charge* and are supported with funding from Youth Development Oregon, Oregon Department of Education, Umpqua Health Alliance, and private foundations.
