

# Check out what's New in November!

Did you know that November 6th is National Nacho Day?

We're celebrating by serving nachos in each one of our schools that day!

We are also serving a Thanksgiving Meal to our students on November 20th.

Menu will include House-made Turkey Gravy made from scratch, mashed potatoes and roasted veggies.

## We're Always Here to Help

We are here for you! If you ever have a question about your child's food service account or a free and reduced application, please don't hesitate to contact us at [studentnutrition@steilacoom.k12.wa.us](mailto:studentnutrition@steilacoom.k12.wa.us) or call us at 253-983-2229.

If your child needs anything, our kitchen staff is always ready to help! We strive to learn all of our students' names and we care deeply about what's going on in their lives. Meal time is a chance to relax and refuel and we want all students to feel nourished and connected.
