Council Staffing: Mark Adams; council members at Hapeville. He is on board with joining the SGC but needs to get onboarded.

Strategic Planning:

- Waiting on metrics from Fulton County for Strategic Plan (Teams Call Monday 3:30 to review and approve.)
- How are we moving 5-6% from raw data on GMAS
- 35%P in ELA goal is to move that 41%, Math 46%.
- Accountability purposes for teachers: Full academic year students, with 50% being Proficient or Distinguished.
- Title 1 goals are in alignment with strategic planning.
- Making sure attendance continues to improve. 89% of our students are coming to class and not missing 10% of the school year.
- School Report Card: 97.50, the highest score for any school in South Fulton and have outperformed school in North Fulton. Star rating is about to change-
 - Attendance: 80-100 students are absent less than 10% of the days they are enrolled.
 - Behavior: 80-95% of students do not receive any state reported offenses
 - Mathematics 80-100% students are proficient in Mathematics, or have shown that we have met the closing gaps on CCRPI
 - Literacy Rating: 80-100% proficient in ELA and 80% have the reading indicator met.
 - Surveys: 71% or above on survey ratings
- Staffing: Teacher has been hired to teach Kindergarten. One staff member has been out and ill, so we will have a new staff member coming in around October,
- Upcoming Events:
