

# Maxwell Elementary

## Program Goals

- Develop biliteracy in English and Spanish.
- Promote high academic achievement for all students.
- Foster cross-cultural competency.

## Who can participate?

Maxwell Spanish Immersion Elementary is a magnet school and admission is by lottery. **Kindergarten and 1st Grade:**

Families must apply during the application window for their child to enroll for the following academic year.

[www.fcps.net/magnet](http://www.fcps.net/magnet)

### **2nd to 5th Grade:**

Students must meet benchmark levels on a Spanish literacy assessment.

Enrollment subject to space availability.

## What does a day look like at Maxwell?

Half the day is in Spanish, learning math, science, and Spanish language. The other half is with English speaking teachers, focusing on language arts, and social studies.

## How can I learn more about Maxwell and apply?
