L. Resolving Differences

MEDIATION

1. In the event agreement is not reached by the parties, the parties may mutually agree to request the use of mediation in an effort to reach an acceptable settlement. The negotiation teams shall first request a mediator from the Federal Mediation and Conciliation Services whose rules and regulations shall govern the mediation. If FMCS is not providing mediation services, the Superintendent (or designee) and the CLFA President (or his/her representative) shall attempt to mutually agree on a mediator. If such mutual agreement cannot be made within five (5) days, the parties may mutually petition the American Arbitration Association (AAA) to provide both parties with a list or lists of names in which a mediator will be selected.
2. In the event there are costs and expenses for such service, the costs shall be shared equally by the Board and the CLFA.

ARTICLE 3 GRIEVANCE PROCEDURE

Definitions

1. A grievance is a complaint involving the alleged violation, misrepresentation or misapplication of the negotiated agreement between the CLFA and the Board.
2. A grievant is a teacher, group of teachers, or the CLFA alleging a violation, misrepresentation or misapplication of the negotiated agreement. A grievance alleged by a group shall have arisen out of identical circumstances affecting each member of said group.

3. A day shall be defined as a school calendar day for which teachers are compensated.

Step One:

Within ten (10) days from the date of the event giving rise to a grievance, the grievant shall request an informal meeting with his/her principal for the purpose of resolving the matter. The grievant shall indicate that the discussion will pertain to a possible grievance. If the grievant fails to request such meeting within ten (10) days after he/she knew or should have known of the act or condition on which the grievance is based, the grievance shall be considered waived. Either party shall be allowed representation at such informal discussion. Such representative(s) shall have the right to participate in the hearing in any manner.

Step Two:

If the grievance is not resolved at Step One the grievant shall, within ten (10) days, present his/her principal with a written explanation of the grievance, citing the specific section of the contract that has been violated and the relief sought. The writing can be done by email.

Within ten (10) days of the receipt of such claim, the principal shall indicate his/her disposition of the grievance in written form, one copy of which will be sent to the grievant and a second copy will be sent to the district superintendent. If the grievance involves the principal, then the grievant may go from Step One directly to Step Three.

Step Three:

If the grievant is not satisfied with the written disposition of the principal, he/she shall, within five (5) days of receipt of the disposition, send a written or email request for a hearing before the district superintendent or designee. In addition to the request, the grievant shall include a written explanation of the grievance citing the specific section of the contract that has been violated and the relief sought. Both the grievant and the superintendent or designee may have a representative of his/her choice present at the hearing. The hearing will be held within ten (10) days of the superintendent's receipt of the request. The superintendent or designee will render a decision on the grievance within five (5) days of the hearing. The action taken will be reduced to writing and copies sent to the grievant, the principal and the president of the Board.

Step Four:

If the grievant is not satisfied with the superintendent or designee's decision on the grievance, he/she shall be allowed ten (10) days to file a written appeal with the Board. The Board will schedule a hearing at its next regular monthly meeting. Both

the grievant and the superintendent may have a representative of his/her choice present at the hearing before the Board. The grievant may elect to hold the hearing before the Board. The grievant may elect to hold the hearing in executive session if permissible under ORC 121.22 (Sunshine Law). After both parties have presented their case, the members of the Board shall render a decision, by individual vote, either to grant or deny the grievant the relief which has been sought. The Treasurer of the Board shall officially notify the grievant, in writing, of the Board's decision within five (5) days after the Board meeting.

Step Five:

If the grievance is not resolved at Step Four, the grievant and/or CLFA may appeal for mediation within fifteen (15) school days of receiving reply in Level Four. Such mediation shall be conducted under the auspices of the Federal Mediation and Conciliation Services when services are available. If services are not available under FMCS the parties will attempt to select an arbitrator by mutual agreement. If agreement cannot be made within five (5) days, the parties may mutually petition the American Arbitration Association (AAA) to provide both parties with a list or lists of names in which an arbitrator will be selected. If the grievant and/or CLFA is not satisfied with the results of the mediation, he/she may appeal it to binding arbitration. The arbitration proceedings will be governed by the rules of the American Arbitration Association. If the parties agree, the matter may be submitted to expedited or streamlined arbitration. The arbitrator shall limit the decision to the application and interpretation of the terms and provisions of the Professional Negotiations Contract. The decision of the arbitrator shall be final and binding on both parties.

The cost of the arbitrator shall be shared equally by the parties.

If an absent teacher's students are divided among other classrooms for one (1) period or more, the students must be divided evenly and each of these classroom teachers will be paid \$40 for each day that the divided students are in the classroom. If a teacher is asked and elects to use their workday to attend an IEP, IAT, or other scheduled meeting by administration, they shall have the option of being paid at the rate of \$25 per forty (40) minute block of time. An in-service day shall be a day in which teachers meet with administrators and/or participate in professional development. A remote day

shall be a workday when teachers work asynchronous from the school building and schedule. Days canceled by inclement weather will be considered remote days.

This Committee shall consist of equal numbers of administration and faculty (teachers) members. The CLFA shall be responsible for conducting a pre-calendar survey of all teachers. Upon receiving the results of the pre-calendar survey, the Calendar Committee will develop one calendar to submit to the Board for approval.

Upon expiration of this contract, the above paragraph E. shall sunset and revert back to the following language:

Every effort will be made to accommodate teacher schedules when planning these meetings. ARTICLE 7 REDUCTION IN FORCE

If the Board determines it necessary to reduce the number of bargaining unit positions through a layoff of certificated staff the following procedures shall apply:

- A. A RIF may occur for the reasons set forth in 3319.17 ORC.

PROCEDURE

1. The CLFA shall be notified of the extent of any staff reduction at such a time a decision is made by the Board, said notification shall occur thirty (30) days prior to Board action on the layoff. The CLFA shall be further notified as to which teacher(s) contracts shall be suspended.
2. Within ten (10) days of receipt of notification, representatives of the Board and the CLFA shall meet to discuss the proposed RIF. The CLFA shall be allowed to present its views on the impending RIF to the full Board prior to any implementation of a RIF.
3. The effective date of any RIF shall be July 31 of any year. Benefits of the member would not be affected by this effective date.
4. Reduction shall first be covered by attrition; however, the Board shall not be required to fill any vacancy.
5. If additional reductions are necessary, the teacher with the lowest teacher performance evaluation rating in the area of certification in the position to be abolished will be selected for the reduction in force. If teachers have comparable performance evaluations(as defined in Article 12 Personnel Decisions Paragraph B) in the same area of certification, the least senior in the position will be selected for the reduction in force. Teachers with continuing contracts will be given preference over teachers with limited contracts.

6. Recall shall be done in inverse order. Continuing contracts with most seniority first, then limited contracts with the most seniority. Recall shall be to a position for which the teacher is properly certified/licensed. No new teachers shall be hired until all qualified laid off teachers have been offered the position and have rejected the offer or are removed from the recall list as outlined below.
7. Qualifications, in accordance with an established job description, for a bargaining unit position shall not be upgraded/changed in order to prevent the recall of a laid-off teacher.

RIGHTS WHILE ON SUSPENSION

1. If recalled, the teacher shall have the right to return to the same total sick leave accumulation.
2. The teacher shall have the right to all insurance benefits for a period of 24 months providing the teacher meets the eligibility requirements set forth by the carrier. The teacher must pay the full cost of the premium fifteen (15) days prior to the due date.
3. Credit for salary placement, upon recall, for the same or similar work performed while on layoff status.
4. The right to be notified by mail of all postings for bargaining unit positions.
5. The unchallenged right to unemployment compensation benefits when the teacher has not been offered an assurance of a bargaining unit position during layoff.
6. Additional certification/licensure earned and reported while on layoff status shall be recognized for recall purposes, provided such information is filed with the Board prior to recall.

RECALL RIGHTS

1. Limited contract teachers whose contracts are suspended shall be retained on the recall list for thirty-six (36) months from the effective date of the layoff.

Teachers whose contracts are suspended after September 1, 2010, shall be retained on the recall list for eighteen (18) months from the effective date of the layoff.
2. A teacher may be removed from the recall list if he/she:
 - a. Waives his/her recall rights in writing.

- b. Fails to accept recall to a position for which he/she is certified/licensed within five (5) days of notification.
- c. Fails to report to work within ten (10) working days after receipt of the notice of recall, unless sick or injured.
- d. Accepts a full-time teaching position elsewhere.

The teacher who has been affected by a staff reduction shall be responsible for keeping the superintendent informed of a recent address and telephone number.

All recall notices and acceptance notices shall be mailed by certified mail with acknowledgment of receipt provided to the sender, or by hand delivery.

ARTICLE 8 SENIORITY

A. Seniority Defined

Seniority shall mean the length of continuous employment in a bargaining unit position as follows:

- 1. Seniority shall begin to accrue to a teacher from the first day worked in a bargaining unit position.
- 2. Seniority shall accrue for all time a teacher is on active pay status or is receiving Worker's Compensation benefits or is on layoff status.
- 3. Time spent on inactive pay status (e.g., unpaid leave of absence) shall not contribute to the accrual of seniority but shall not constitute a break in seniority.
- 4. Full-time teachers shall accrue one (1) year of seniority for each year employed as determined by the minimal full-time standard as defined by this Agreement. For purposes of this contract full-time teaching shall be defined as regularly scheduled to work 120 consecutive days or more in a school year while employed by the Cardington-Lincoln Local School District.
- 5. Part-time teachers shall accrue seniority prorated against the minimal full-time standard as defined by this Agreement.
- 6. No teacher shall accrue more than one (1) year of seniority in any work year.

B. Equal Seniority

A tie in seniority shall occur when two (2) or more teachers have the same amount of seniority credit as determined by the seniority list.

Ties in seniority shall be broken by the following method to determine the most senior teacher:

1. The teacher with the earliest date of hire by the Board; then
2. The teacher with the first day worked for the Board; then
3. The teacher with the earliest date of application to the school district; then
4. By lottery, the teacher whose name is drawn first will have the most seniority, etc. This procedure shall be implemented in the presence of CLFA representatives, selected by the CLFA president.

C. **Loss of Seniority**

Seniority shall be lost when a teacher retires or resigns; is discharged; or otherwise leaves the employ of the Board. There shall be no loss of seniority in the event a teacher has a break in service due to a reduction in force and is recalled.

D. **Posting of Seniority List**

The seniority list shall be sent electronically to the association president by December 1 and posted to the district email conference room by January 1 of each school year. The seniority list will indicate, by area of certification/licensure, the date of application, the first day worked, the date of Board hire, and the contract status (i.e., continuing or limited) of each teacher.

1. The names of teachers on the seniority list shall appear in seniority rank order within areas of certification/licensure. The name of the most senior teacher shall appear at the top of the listing for each area of certification/licensure and the name of the least senior teacher shall appear at the bottom of the listing for each area of certification/licensure.
2. The names of teachers who are certified/licensed in more than one (1) area of certification/licensure shall be included on the listing for all areas in which they are certified/licensed.
3. The names of all part-time teachers shall appear on the seniority lists but shall be listed separately from the names of full-time teachers.

E. **Correction of Inaccuracies**

Each teacher shall have a period of thirty (30) days after the posting of the seniority list in which to advise the Board or its agent(s) and the CLFA, in writing, of any inaccuracies which affect the teacher's seniority. The Board or its agent(s) shall investigate all reported inaccuracies and make such adjustments as may be in order

and shall post the updated seniority list immediately. No protest shall be considered after thirty (30) days of the posting of the seniority list and the list shall be considered as final until the next posting.

ARTICLE 9 NOTIFICATION OF ASSIGNMENT

If a teacher is to be assigned to a teaching position different than the one assigned the previous year, then notification of the new position will be given not later than July 30. Such notice shall specify the building, grade level, and subject area to which the teacher will be assigned. However, the administration shall retain authority to reassign a teacher in an emergency situation, which is defined as when a teacher vacancy occurs after July 30, and no certified/licensed teacher is available, to a teaching position in which the teacher is certified/licensed.

ARTICLE 10 VACANCIES/TRANSFERS

Notices of vacant positions shall be provided to teachers after the occurrence of the vacancy. Deadline for application shall be stipulated and shall not be less than five (5) days after the date of posting. The Board shall post notices of vacant positions on district email within a reasonable time. A copy will also be sent to the Association president. During the period of summer vacation, all teachers interested in a position change should notify the Board prior to the start of vacation to ensure notification. The Board reserves the right to make the determination of the best qualified individuals available for filling or not filling any position(s) in the school district.

Teachers desiring a voluntary transfer shall submit a letter of request to the superintendent. Said teacher will be given the opportunity to meet with the principal or immediate supervisor of the building where the vacancy exists.

A. **Transfer**

A change in assignment by a teacher from one bargaining unit position to another.

B. **Voluntary Transfer**

A voluntary transfer shall be a teacher-initiated reassignment.

C. **Involuntary Transfer**

An involuntary transfer shall be a Board initiated reassignment of a teacher. The district shall provide the teacher with written reasons for the involuntary transfer no later than ten (10) business days prior to the effective date of the transfer.

D. **Voluntary Transfer**

1. Any teacher applying for a voluntary transfer to a bargaining unit position for which he/she is licensed or will be licensed prior to the start date of the position shall be granted an interview.

2. The following factors will be considered by the superintendent in the filling of a vacancy by voluntary transfer.
 - a. the interview
 - b. the qualifications of the applicants
 - c. the experience and seniority of the applicants
 - d. certification/licensure
3. The superintendent reserves the right to select the best qualified applicant after considering the factors set forth above.

If a current employee is not selected to fill a vacancy, the reason(s) will be discussed with that employee by the superintendent or building principal at the request of the employee.

E. **Involuntary Transfer**

No teacher shall be involuntarily transferred for arbitrary or capricious reasons.

F. **Miscellaneous**

1. No transfer shall be implemented during a period of RIF that will cause the layoff of a more senior teacher.
2. No transfer shall be implemented during a period of RIF that will prevent the recall of a teacher on layoff.

ARTICLE 11 CLASS SIZE

- A. If a teacher believes that class size is adversely impacting his/her ability to effectively instruct students, the teacher should bring this to the attention of the building principal and the building advisory council.
- B. Prior to the scheduling of classes each year, upon request, the building principal shall meet with teachers at each grade level or department to discuss scheduling and optimal class size for each program area.
- C. The Board will make every reasonable effort to keep class size at an approximate 1 to 25 teacher to student ratio (excluding secondary music and physical education programs).

ARTICLE 12 EVALUATION

- A. Evaluation procedures will follow Ohio Revised Code 3319.111 and 3319.112 unless otherwise noted in said article.
- B. An Evaluation Committee will be established and maintained. The committee shall be comprised of three (3) teachers, selected by the CLFA president, and three (3) administrators, selected by the superintendent. The purpose of the committee shall be to recommend changes to the evaluation procedure, subject to restrictions of Ohio law. Any changes to the evaluation procedure shall be ratified by both parties prior to implementation.

The committee shall submit its recommendations to the CLFA president and the superintendent. The superintendent will submit his recommendations to the Board for any action.

- C. A qualified and credentialed evaluator cannot be a bargaining unit member and a bargaining unit member cannot evaluate another member.

The date and time of the observation will be agreed to during this conference.

All formal observations will be made in the classroom. No virtual observations shall be made, and observations cannot be based on remote learning.

 - 2. A teacher shall be entitled to Union representation at any conference held during this procedure in which the teacher will be advised of an impending adverse personnel action.
 - 3. Any violation of either procedural due process of law or arbitrary or unreasonable action shall automatically require re-employment of the teacher under a continuing contract, if eligible, or an appropriate limited contract if the

teacher is not eligible for a continuing contract. If a person had a multiple year contract and was being non-renewed or dismissed, any violation in a previous year would not result in this automatic reemployment.

High Quality Student Data (HQSD)

- A. All evaluations shall contain two (2) measures of high quality student data (HQSD). When applicable to the grade level or subject area taught by the teacher being evaluated, HQSD shall include the value-added progress dimension as one (1) source of HQSD.

In a three-year period of time, a teacher will have a rating of three (3) thru twelve (12). Any teacher with a score of nine (9) thru twelve (12) over three years would be in group one, teachers with a score of six (6) thru eight (8) would be in group two, and teachers with a score of three (3) thru five (5) would be in group three. Each separate group would be considered "comparable", with group one being the highest rated. Total scores would always be considered as consisting of the most recent three years' worth of evaluation data.
- C. The evaluation procedure contained in this agreement shall not be used in any decision concerning the retention, promotion, removal, reduction or recall of any teacher until three years of data have been collected and three evaluation cycles have been completed. After the deductible, co-insurance will be applied on any remaining balance and shall be paid 80% by the plan and 20% by the employee. These deductible and maximum amounts are correct for in-network only.

Co-pays do accumulate within the plan, but do not count towards the medical deductible or maximum out of pocket of the HRA. Once the maximum out of pocket is reached, the co-pays are limited to \$1,000 for single and \$2,000 for family each year, and then paid by the plan at 100%.

Appendix I - Fair Share Fee

FAIR SHARE FEE

This article will become operative if the US Supreme Court decision Janus v. AFSME (2018) is overturned.

A. Payroll Deduction of Fair Share Fee

For any bargaining unit member(s) hired after September 1, 2010, the Board shall deduct from the pay of unit members who elect not to become or to remain members of the CLFA a fair share fee for the representation of such non-members each school year. (No non-member filing a timely demand shall be required to subsidize partisan political or ideological causes not germane to the CLFA's work in the realms of collective bargaining.)

B. Notification of the Amount of Fair Share Fee

Notice of the amount of the annual fair share fee (which shall not be more than 100% of the unified dues of the CLFA) shall be transmitted by the CLFA to the Board treasurer on or before September 15 of each year for the purpose of determining amounts to be payroll deducted, and the Board agrees to promptly transmit all amounts deducted to the CLFA.

C. Schedule of Fair Share Fee Deductions

Payroll deduction of such annual fair share fees shall commence on the first pay date which occurs on or after January 15 annually. In the case of unit employees newly hired after the beginning of the school year, the payroll deduction shall commence on the first pay date on or after the later of:

- sixty (60) days' employment in a unit position or
- January 15

D. Upon Termination of Membership During the Membership Year

The Board treasurer shall, upon notification from the CLFA that a member has terminated membership, commence the deduction of the fair share fee with respect to the former member, and the amount of the fee yet to be deducted shall be the annual fair share fee less the amount previously paid through payroll deduction. The deduction shall commence on the first pay date occurring on or after forty-five (45) days from the termination of membership.

E. Transmittal of Deductions

The Board further agrees to accompany each such transmittal with a list of the names of the unit members for whom all such deductions were made, the period covered, and the amounts deducted for each.

F. Procedure for Rebate

The CLFA represents to the Board that an internal rebate procedure has been established in accordance with Section 4117.09(C) of the Ohio Revised Code and that a procedure for challenging the amount of the representation fee has been established and will be given to each unit member who does not join the CLFA and that such procedure and notice shall be in compliance with all applicable state and federal laws and the Constitutions of the United States and the State of Ohio.

G. Entitlement to Rebate

Non-members may apply to the OEA for an advance reduction/rebate of the fair share fee pursuant to the internal procedure adopted by the OEA.

H. Indemnification of Board

The CLFA shall indemnify the Board for any costs associated with the Board's compliance with this Agreement. This shall include any litigation costs. The CLFA reserves the right to designate counsel to represent and defend the Board. However, this provision shall not prevent the Board from employing its own counsel, at its own expense, to assist in such representation. Furthermore, the CLFA agrees that counsel it designates shall accept and act upon the Board's reasonable instructions and recognize his/her primary obligation to his/her client. In no event shall the CLFA impose such representation upon the Board as will create or foster a conflict of interests.

**Memorandum of Understanding between the Cardington-Lincoln Board of Education and the
Cardington-Lincoln Local Faculty Association Regarding Employee Insurance Benefits and
Healthcare Reimbursement Account for Medical Insurance.**

This MOU shall amend the current "Insurance" Article 22 G) of the agreement. The purpose is to agree to language changes within the health insurance benefits section to modify the method used by the district to reimburse employee claims through the HRS.

G. HRA and HSA Option

Effective January 1, the district will make available medical insurance and a Health Reimbursement Arrangement "HRA". The HRA shall become effective for the calendar year through December 31, 2016, and in subsequent years January 1 through December 31 for the duration of the contract.

The employee contribution to the deductible shall be **\$1,500** ~~\$750~~ per year for single coverage and **\$3,000** ~~\$1,500~~ per year for family coverage. ~~After the deductible, co-insurance will be applied on any remaining balance and shall be paid 80% by the plan and 20% by the employee. Once the deductible and co-insurance total \$1,500, the employee has reached their maximum out of pocket (\$1,500 for single, \$3,000 for family). The district shall reimburse employees exceeding the \$1,500 single, \$3,000 family, up to the deductible limit of \$4,000 single, and \$8,000 family coverage.~~ The Plan then pays any remaining balance at 100%. These deductible and maximum amounts are correct for in-network only.

Co-pays do accumulate within the plan, but do not count towards the medical deductible or maximum out of pocket of the HRA. Once the maximum out of pocket is reached, the co-pays are limited to \$1,000 for single and \$2,000 for family each year, and then paid by the plan at 100%.
