BREA CAMPUS

November 2025

“Give thanks to the Lord, for He is good; His love endures forever.” – Psalm 107:1

Dear Brea Families,

The holiday season has begun! When I reflect on God's goodness and faithfulness, I thank Him for you, my new school family! Each family at our school was placed here by God and I am grateful! As we journey through this new season together, I am excited to see all God has for us and grateful for His love grace and mercy each day! Thanksgiving is great because there is no attachment to gifts or extravagance. Rather, it is a time to reflect on all that we are blessed with.

This month, our classrooms will focus on gratitude, service, and thankfulness. Students will participate in activities that remind us that every good thing we have comes from our Father. We encourage families to take time together to share what you're thankful for and how you've seen God's hand at work in your lives.

As we enter this season of Thanksgiving, we are reminded that true thankfulness overflows into generosity and service. In partnership with Operation Christmas Child, we will be having a packing party to prepare the many boxes we will be donating. This will take place on November 13th from 1pm—5pm in the chapel. Students will join their class starting at 1pm to assist in packing the boxes. If you and your family want to help us after school, please stop by.

Wishing you and your family a joyful and blessed Thanksgiving!

With Gratitude,
Mrs. Sutton

Expected Schoolwide Learning Results

SPIRITUALLY GROWING INDIVIDUALS

The first of our Big Five Learning Results is: **Spiritually Growing Individuals**. In our own words, we say, "Be Like Jesus!" As a Christian school, our mission is clear; we strive to educate students to know Christ personally, excel academically, think biblically, and positively impact their communities for Christ. Becoming like Jesus is a lifelong process and it is our joy and privilege to provide the students entrusted to us with lots of opportunities to accomplish just that.

Weekly chapels and daily Bible lessons are designed to challenge and encourage students in their faith, and also provide a opportunity for those who have not yet made a commitment to Christ to do so.

The Bible is masterfully and purposefully woven throughout lessons in all subject areas to further solidify God as the Creator of all. Kids are kids, and becoming like Jesus is clearly a lifelong process, but not

surprisingly, when visitors come to our school they often comment about our kids and the overall demeanor on campus. They sense something special that is not common everywhere. God's hand is upon our campus, and we celebrate all that He is accomplishing in and through us. What an awesome and mighty God we have!
