

# Class of 2028 Course Selection

## Scheduling Key Terms

**Completer Program:** A specified sequence of courses for a career pathway in a Career and Technical Education (CTE) completer program. All CTE programs offer a value-added component which may include college credits, industry certification, or both

**Career Major:** Course sequences within a specific career cluster and pathway which enable a student to work toward a career option not addressed by a CTE completer program. A minimum of 3 credits constitutes a career major

**Apprenticeship Program:** Combines supervised on-the-job training with related post-secondary instruction. It is sponsored by employers that are able to train at the workplace

**Career-Related Internship:** A culminating (capstone) experience for students who have explored a career area by following a career major or completer program sequence. Internship placement is coordinated by Mrs. Riddle, SCHS's Career Coordinator
