

>>> Wisconsin Hills Middle School

By focusing on and prioritizing accessibility and engagement, all students will feel connected, will learn, and will grow.

Dedicated to each student reaching their full potential.

Learning is a Personal Process

- > We believe every child is capable of college, career, and community readiness.
- > We learn at different rates and in different ways.
- > We encourage, nurture, and expect student ownership in learning.

Learning is a Partnership

- > We develop relationships with students, parents, and community to support each child's academic, social, and emotional growth.
- > We embrace each other's journey to continually learn and grow.
- > We care for each other and have fun together.

Learning is Progressive

- > We focus on creativity, critical thinking, communication, and collaboration.
- > We commit to a culture of quality, continuous improvement, and lifelong learning.
- > We ensure proficiency through innovative best practice, authentic engagement, and positivity.
