Board Report – Transportation Department

After School Activity Bus Operations

- **HJH/HMS Monday-Thursday**
 - Four Buses
 - 352 Students Signed Up as of 10/21/25
- **Elementary Schools--Routed as Needed**
 - On days when a club meets, if students need transportation, our office routes it so all students have the opportunity to participate in after school activities
- **Special Education Transportation** is available for those students with a transportation plan in their IEP to ensure all students have the opportunity to participate in after school activities

Board Report – Transportation Department

Department Safety Updates

- Driver Staff Meeting “Safety Item of the Month” for October
 - Safely Crossing Students
 - Consistent reminders to students exiting the bus to wait for the driver’s signal before crossing the street for those students that cross
 - Checking external mirrors before departing a stop to ensure all students are out of the “Danger Zone”
 - Reminding students to take at least “five giant steps” to ensure they are at least ten feet away from the bus, out of the “Danger Zone”
 - Pre-Trips, Post-Trips, and Security Sweeps

A yellow location pin graphic is positioned behind the signature text in the bottom right corner.
