Parent Square: change the settings; come up with a user guide so that settings are not defaulted to push information out on Friday nights.

6th- Lindsay- everything is running smoothly
Teachers- can everyone use the board or the chat exclusively; so there is consistently; so they don't have to check the messages

General Consensus: post to the Board

8th- Confident where we are at currently

Grade Level Updates:
Nancy- 7th/8th grade update:
8th Science- get students ready to debate- ethics of cloning
Ms. Andrews class is learning about the Legislative branch-
7th Humanities- French Revolution
7th Science- Water Cycle and Seasons
6th and 7th enrichment-GS- Genius Hour presentations; asking great questions; lots of learning

6th Humanities- Wrapped up Create a Kingdom- lots of Salt Dough maps; students are starting on early humans

5th Math- working on multiplication and division
Kids are super eager

Mrs. Tornquist is going to be attending a Mock Trial PD and be able to do that during quarter 3

Math and ELA- targeted interventions- have already seen some growth; Mrs. Clark and Ms. Gower are going to be meeting to help target the kids in the middle.

NJHS: Doing great work across campus

5th Grade: CER being incorporated across the board

Approval of New Clubs

Decision ▾

Three New Clubs:

Book Club- Approved

Ms. Tiffany and Ms. Johnson

Payment for advisors: \$1400 per advisor

Site council would cover the cost for the advisors this year

30 kids signed up so far; FYI activity fee is separate from club fees

30 kids at \$25 does not cover the cost of an advisor. Site admin have requested that club fees be increased.

Site Council will come up with constraints going forward.

Split stipends? Meet more often? etc.

Dance Club- Approved

Ms. Bauman

Tryout based

Payment for advisor - \$1800 year long

Site Council Input- Consider charging \$100 per student going forward; treat it like a sport w/ a coaching stipend. Rationale: Seems more like a team if it has tryouts; one definite coach; perhaps have a second coach

Volunteer/Service Club - Approved

Two Seventh Grade Students approached Mrs. Clark about starting a service club; they are drafting a proposal/vision

Key Club/Kiwanis Club; version for middle school

Do you extend NJHS to 6th grade? Site Council agreed that they would prefer to keep it separate. This club could provide kids the opportunity to volunteer and give back without the academic restrictions.

Art4Hearts - Approved

Mrs. Klein

Ady N and Liana C (8th grade students) approached Mrs. Clark re: starting this club. Mrs. Klein agreed to be the club advisor.
