

WHAT IS A SCHOOL- PARENT-TEACHER COMPACT

A school-parent compact is an agreement between students, parents, staff, and teachers allowing them to work together to assure all students achieve their full potential and meet grade level requirements.

**At Wernecke we choose
Excellence everyday in
all we do!**

We commit to partnership with family and community to provide social and academic growth for our students through meaningful and authentic educational experiences. We will ensure all students the opportunity to excel to their highest potential academically, creatively and socially. Excellence is not a matter of chance, it is a matter of choice!

Our student-parent-teacher compact is jointly developed with parents/guardians

The school compact was developed and reviewed through collaborative efforts among parents/guardians, students and staff.

To ensure the effectiveness of this compact, annual meetings are conducted to assess and modify the compact based on the school's academic achievement goals and the evolving needs of the students. Parents/Guardians are encouraged to offer feedback on the compact throughout the school year, with all input being collected and reviewed during the yearly revision meeting.
