Critical Initiatives

Critical Initiatives

Critical Initiatives

- Build Community across the System and within Schools

- Review Data (preK - 12) to Drive Instructional Practice
 - EL students will receive language acquisition instruction daily/weekly from certified EL teachers based on individual need through pull-out, push-in, inclusion, or sheltered classroom instruction.
- Target fluency and comprehension of the English language, using varied and numerous opportunities for reading, speaking, listening and writing.
- Teachers will use the WIDA CAN-DO descriptors, based on students' level of language.

- Integrate technology into all instructional areas to enhance student engagement and learning outcomes.
- Educate students on responsible, ethical, and safe use of technology.
