CISAA Code of Conduct

Code for Spectators

At all CISAA events, the following code for spectators will be upheld.

Spectators are encouraged to attend school athletic activities as guests of the home school, and accordingly must comply with the host school's rules and policies. Spectators will not interfere with the enjoyment of the participating students, other spectators, or with the responsibilities of the coaches and officials supervising the school activity.

RECOURSE

If a spectator does not abide by the Spectator Expectations, or in any way, impedes the progress/performance of an activity, the spectator will be asked to leave the venue by a representative of the host school.

- Spectators are to adhere to the same standard of sportsmanship and conduct that is expected of all participants.
- Treat the facility, students, staff and players of the participating schools and the officials with respect and courtesy.
- Abide by the decisions of the officials whether or not they are in favour of your team.
- Respond politely to the requests of the officials.
- Remain seated in the areas designated for spectators and leave the playing surface clear at all times.
- Have no presence in the bench areas or in the proximity of the players and coaches.
- Be polite and courteous and use only appropriate language.
- Refrain from any behaviour or verbal comment that might distract the athletes or interfere with the progress of the game.
- Applaud good plays for both teams and refrain from any derogatory remarks concerning officials, players and coaches of either team.
