# COMMUNICATIONS & COMMUNITY INVOLVEMENT

## Communications

Clear, concise, and consistent communication is our goal. We share information through the PowerSchool Parent Portal, the Class Dojo Communication App, our website, and social media. We send grade-level and school-wide newsletters home weekly and also host Title I Family Nights.

## Community Partnership

We celebrate a strong partnership with Francis Marion University. The FMU School of Education sends students from the Science of Teaching Methods class to plan and deliver lessons to students. WGE students benefit from having these student teachers in our classrooms.

## Community Involvement

We also have an active parent community that helps to create a welcoming environment both inside and outside our school. Local churches volunteer in our school, and area companies donate various items. Help 4 Kids supports Wallace Gregg with fruit and Friday food bags for students.

Wallace-Gregg hosts a variety of community events, including Book Fairs, Danishes for My Dearest, Kick It with King, STEM Night and Parenting Workshops.

## SAFETY

The safety of our students is a top priority. Our doors remain locked at all times and we utilize an automated check in system for visitors. Adults are not allowed in the building during arrival and dismissal times. We have security cameras throughout the school, along with two-way radios. We practice monthly fire and Code Blue Drills.

**90%**  
of parents indicate  
their children feel  
safe at school

**94%**  
of teachers feel safe  
at school before and  
after hours
