

# The Jubilee Legacy Project

## LET'S BUILD A LEGACY TOGETHER!

Together, we're building more than buildings - we're building legacy, ministry, and a future where transformed lives continue transforming lives.

The Jubilee story is just beginning, and you're invited to help write the next chapter! Here's how you can be part of something kingdom-sized happening right here in La Mirada:

1

### GET THE WORD OUT

Talk about the Legacy Project! Share the story. Post, text, invite others - help spread the vision of what God is doing through this community.

2

### SHARE CONNECTIONS

Introduce us to friends, churches, or local leaders who might want to join in. Big things happen when God's people link arms!

3

### GIVE

Every gift, every introduction, every prayer moves us closer to seeing this vision become reality.

### WE'RE NOT JUST RAISING WALLS...

We're raising hope, purpose, and a place for generations to encounter Jesus.
