RECENT HAPPENINGS:

I.E.F.A.: Celebration through Education

Over the course of 2 days, 4th graders from all 15 elementary schools rotated through different stations where they had the opportunity to hear stories, play traditional games, and learn more about Montana tribes.

Culture Class:

The powwow etiquette lesson is wrapping up. Up next is learning about different types of canoes used by various tribes.

Reminder: students must have a signed 506 form on file to participate in Culture Class.

N.E.S.T. Project:

Artist, writer, curator, and cultural consultant Nina Sanders (Apsáalooke) visited with art students across the district about turning ones passion for art into a viable business.
