College Entrance Assessments

Dear Parents or Guardians,

Your student has the opportunity to take the ACT® or the SAT® at no cost, paid for by the state. The ACT and the SAT are college entrance exams used by some colleges and universities in admitting students.

Taking either test is optional. These tests will be administered during the school day. All 3rd year and 4th year high school students are eligible to take the test. Students are encouraged to take advantage of this free testing opportunity.

If you want your student to take either the ACT or the SAT at no charge, please place a check mark in the box beside your choice. If you do not want your student to take either exam, please place a check mark in the third box.
