

Calallen ISD 2025-2026
Syllabus - Template

Campus: Calallen Middle School

Course and/or Grade Level: 7th Grade Digital Literacy- 1 Semester Course

Course Description: Teaching and learning of technology skills and the use of computers and other related electronic tools. The student will focus on creating, accessing, manipulating, utilizing, communicating and publishing information during the learning process. The class will differentiate between appropriate and inappropriate uses of technology for teaching and learning while using electronic resources to design and implement learning activities. Students will demonstrate proficiency in the use of common input and output devices, solving routine hardware and software problems.
