

Calallen ISD 2025-2026
Syllabus

Campus: Calallen High School

Course and Grade Level: Medical Terminology (9th - 12th)

Course Description: The Medical Terminology course introduces students to the language of medicine, including word roots, prefixes, suffixes, and terms related to the human body systems, diseases, diagnostics, and treatments. Students will develop skills to read, write, and understand medical language critical for healthcare careers. The course includes practical applications and terminology used in clinical and laboratory settings.
