

Calallen ISD 2025-2026 Syllabus - Template

Campus: Calallen High School

Course and/or Grade Level: Technical Theatre 1, Grade 9-12

Course Description: Technical Theatre emphasizes the backstage and technical aspects of theatre production. Projects may include mask-making, stage management, and directing. Students in Technical Theatre will be responsible for designing and building sets and props for CHS shows and will learn basic construction techniques. All Technical Theatre courses require outside lab time. The number of hours will be determined by the difficulty of the show. Students are also expected to theatre manage performance/events for Calallen High School that utilize the stage and require technical expertise. The lab time is mandatory and is part of the student's grade. Students will set up and strike for all school assemblies. Students will prepare for theatre competitions, as well as, for after school/weekend school/booster club/ community programs. This class requires time before/ after school and/or weekends. Specific supplies are required.
