    - For the 25-26 School year the goal will be that the number of MLL students scoring at the At or Above STAR Reading will increase by 10%
        - Spring 2024 only 4.9% MLL students scored At or Above
        - Spring 2025 the number of students increased to 20%
        - SPSA Goal: increase number of MLL students who score At or Above by 10% so the goal is 28%

5. Fall STAR Reading and Math results / Resultados de lectura y matemáticas de STAR en otoño (Amy/Lauren)

6. ELD Class updates / Actualizaciones de las clases de ELD (Amy)
   From Mrs. Soto:
   In ELD class, we are using the following curricular resources:

- ***Get Ready for ELD 1 and ELD 2***
- ***Bridges B for ELD 3***
- ***Bridges C for ELD 4***
- ***Lexia Power Up (Adaptable online program to assess and improve student skills in reading comprehension, grammar, and word study. Accessible through Clever)***
- ***Quill (Online grammar lessons website. Link is in Google Classroom)***
- ***ELPAC Vocabulary list (from district TOSA, Dr. Veronica Aguayo)***

Typical Lesson Sequence:

- ***Write in planner/Do Quill or Lexia Power Up***
- ***Get Ready/Bridges Lesson***
    - ***Review learning objective***
    - ***Reading/Direct Instruction***
    - ***Turn & Talk***
    - ***Exit ticket: a sentence or verbal share-out related to the lesson***

As part of the district HIIT Pilot team, I will be trying out some direct instruction and collaborative learning strategies to enhance student engagement in the classroom. My goal is to structure a typical ELD lesson to achieve the following:

- ***I do (Teacher models)***
- ***We do (Teacher and students collaborate in learning activity)***
- ***We all do together (students work together on learning activity)***
- ***You do (students work independently on learning activity)***

Note to parents: If you notice students are getting a low grade in ELD or other classes, encourage them to look not just at missing assignments but any assignments with low scores. If they have low scores in Quill or Lexia, they are likely not spending enough time doing these assignments in class and can easily catch up at home. If it is another type of assignment, they should contact their teacher if they need help figuring out what to do.
