School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Pacifica School District, the community it serves, and the children they cherish, together prepare each child to meet the challenges of the future by providing an equitable, rigorous academic program which nurtures curiosity and inspires joy, confidence, and achievement in learning.

Our beliefs:

- Every person has inherent value.
- Trust and integrity are essential for successful relationships.
- Everyone has responsibility for his/her own actions.
- One person's actions can have an effect in the life of another.
- Learning is essential for personal growth.
- Working together we can build a strong community.

The educational structure of Ingrid B. Lacy (IBL) is designed to provide for the unique needs of early adolescents. Sixth graders have their own wing of the school where each classroom of students stays together throughout the day. These students participate in "cored" classes with one teacher who teaches language arts and social studies; they are in class with a second teacher for math and science. All sixth grade teachers have Multiple Subject Credentials and many have additional authorizations. The students remain together when they attend courses taught by the P.E. instructors at IBL. For their elective classes, they are mixed with other students from the sixth grade. This gradual transition from elementary school prepares them for the seventh and eighth grade, in which they experience a different teacher for each subject.

A demanding academic program continues in the 7th and 8th grades. Seventh and eighth grade teachers are Single Subject credentialed in all of the core subjects they teach; math, language arts, social studies, lab science, and/or physical education.

Elective classes vary from year to year and typically include art, instrumental music, leadership, drama, robotics, and academic support.

Our staff welcomes parent input and communicates with parents regularly via telephone, homework assignment journals, on-line grade book, progress reports, email, and school newsletters. Additionally, teachers, together with local high school students, provide small group and individual tutoring free-of-charge both before and after school daily.

IBL is fortunate to offer a number of co-curricular and extra-curricular opportunities for students. Sixth grade special activities include Greek Fest and museum trips. Seventh grade activities may include museum trips. Eighth graders can visit New York City or Washington D.C. at the conclusion of the school year through a for-pay agency chaperoned by site staff. After school clubs that prepare students for leadership roles and provide supervised settings for student interaction are also available. Peer Helpers, Jazz Band, and Marching Band are examples of teacher-sponsored activities available after school. We also have strong partnerships with Spindrift, Pacifica PB&R, and the Boys and Girls Club to offer even more activities, such as the Hip-Hop Dance Club, after school technology and science exploratory, and a wide variety of competitive sports. The Boys and Girls Club is part of the North County Recreation League where our students compete in a full array of sports that include basketball, cross country, golf, lacrosse, flag football, track, volleyball, and tennis.

Through all its programs, Ingrid B. Lacy Middle School provides a safe, nurturing, and positive atmosphere for children to learn and grow.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	52	56	57	58	48	48
Mathematics (grades 3-8 and 11)	38	44	49	54	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	549	540	98.36	56.3
Male	279	273	97.85	46.89
Female	270	267	98.89	65.92
Asian	31	31	100	80.65
Filipino	88	87	98.86	56.32
Hispanic or Latino	144	141	97.92	41.13
White	187	183	97.86	67.21
Two or More Races	79	79	100	56.96
Socioeconomically Disadvantaged	142	138	97.18	39.86
English Learners	79	78	98.73	38.46
Students with Disabilities	69	63	91.3	12.7

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	549	532	96.9	44.17

Two or More Races	79	78	98.73	42.31
Socioeconomically Disadvantaged	142	136	95.77	25.74
English Learners	79	78	98.73	39.74
Students with Disabilities	69	58	84.06	8.62

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	67	49	75	67	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
7	20.7	18.4	51.1

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parent involvement is an extensive, vital aspect of Ingrid B. Lacy Middle School. Parents provide many support services, from helping in the classrooms, library, and office to assisting with field trips and activities. Most importantly, parents work with our administration and staff to develop rich programs that are unique to our school. Our communication with parents is ongoing and takes many forms. We produce a monthly newsletter and calendar of events to keep parents informed. Teachers send home progress reports and report cards, and they schedule student-led conferences with parents. Phone calls, informal conferences, notes, emails, the student assignment book, and on-line grade book offer additional means of communication between home and school. For more information on how to become involved, please contact Daniel Lyttle, Principal, at (650) 738-6668 or danlyttle@pacificasd.org.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17

School Safety Plan (School Year 2017-18)

Safety of students is our highest priority at Ingrid B. Lacy Middle School. We continue to re-evaluate and refocus attention on safety plans in order to ensure the safety of all of our students and staff. Our safety plan was developed by a collaborative effort of school personnel, local emergency officials, and our county office of education. The purpose of the plan is to identify and support the actions of school personnel when responding to an emergency or disaster. The plan is meant to be used as a guide for “Best Practice” and flexibility in procedures could be needed.

The Ingrid B. Lacy Safety Plan is regularly reviewed to reflect best practices and to ensure that our students and staff know what to do in the case of an emergency. We hold emergency drills as part of this plan to ensure that we are prepared in the case of an actual emergency.

Ingrid B. Lacy’s Safety Plan outlines responsibilities for everyone on site in the event of a school-wide or community disaster. The plan focuses on several areas:

- *Emergency procedures for staff and students to follow in the event of an emergency or disaster
- *Assignment of duties for personnel in the event of emergencies
- *Warning signals that will alert students and school personnel to each emergency situation
- *Specific actions to be taken in the event of an emergency
- *Emergency telephone numbers

The site safety plan and district-wide plan can be found on our district web-site. Our site emergency plan can also be found in all buildings on the Ingrid B. Lacy campus. It received Pacifica School District Board of Trustee approval on October 4, 2017.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Note: Cells with N/A values do not require data.

Types of Services Funded (Fiscal Year 2016-17)

Through LCFF and Supplemental funds, Ingrid B. Lacy Middle School provides teachers with professional development and offers a variety of support services to our students, such as:

- Additional hours for the Library Media Technician.
- Free tutorials with IBL teachers are available before and after school every day of the week.
- Three Academic Support classes, one for each grade level, are available.
- Crossing guard for dismissal and safe crossing to the bus stop.

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

We offer training seminars throughout the year to our staff and faculty. Additionally, teachers meet in grade-level groups and subject-area groups regularly to review student work, plan instruction, and review teaching strategies. We also provide staff development days so teachers may attend workshops or conferences.

In the area of Math we continue to participate in on-going professional development with the College Preparatory Mathematics curriculum. Our English Language Arts, teachers and school administration have participated in PSD/Teacher College professional development on the Readers and Writers Workshop Project. Through district and site support, teachers are learning about the use of Balanced Literacy with a focus on Readers and Writers Workshop at the middle school level. Science teachers continue to participate in Next Generation Science Standards professional development training, creating new lessons for the integrated Science model.
