School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Vallemar School provides an enriching environment that cultivates character, fosters academic excellence, and develops future leaders. Our kindergarten through 8th grade program aims to fulfill the intellectual and academic development of each child in our ever changing world. We strive to help children master skills for continued learning, teach children to reason in a logical and objective manner, challenge each child to develop their full potential, and promote in students a sense of citizenship, community involvement, and personal responsibility. Vallemar develops powerful minds, healthy kids, and enriched lives in our kindergarten through 8th grade program. This is accomplished through an incredible partnership between our dedicated staff, our outstanding parent group, and our community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	63	68	57	58	48	48
Mathematics (grades 3-8 and 11)	60	69	49	54	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	353	333	94.33	67.57
Male	177	165	93.22	63.03
Female	176	168	95.45	72.02
Asian	25	23	92	78.26
Filipino	16	16	100	56.25
Hispanic or Latino	86	80	93.02	58.75
White	166	157	94.58	73.25
Two or More Races	56	54	96.43	61.11
Socioeconomically Disadvantaged	54	47	87.04	65.96
English Learners	38	32	84.21	40.63
Students with Disabilities	33	21	63.64	33.33

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	354	332	93.79	69.28

Socioeconomically Disadvantaged	54	46	85.19	58.7
English Learners	38	32	84.21	68.75
Students with Disabilities	33	20	60.61	30

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	87	85	75	67	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	12.7	30.2	46
7	23.7	44.1	10.2

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Vallemar School has an active PTO, with many parents and teachers participating. The PTO raises between \$60,000 to \$70,000 for the school each year. In addition, parents provide hundreds of hours of volunteer support for school programs, activities, and fund-raisers. We have the "What a Difference a Day Makes" program, encouraging each family to give at least 24 hours of volunteer time a year. Already we have seen more hands-on involvement, with more parents helping in classrooms, on field trips, and in the library. Parents are also included on our School Site Council, English Language Advisory Council, PTO Board, and many of the other PTO positions. Vallemar's VIP (Vallemar's Informational Packet) is the school's newsletter, which we send home electronically every Wednesday. It contains general news about our school, any upcoming events, fund-raisers, and information contributed by individual classrooms. The contact person for this is our principal, Monica Lobao and school secretary, Barbara Fascenda. They can be reached at (650) 738-6655.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions	3.27	2.29	0.18	2.77	2.15	1.55	3.79	3.65	3.65
Expulsions	0	0	0	0	0	0	0.09	0.09	0.09

School Safety Plan (School Year 2017-18)

We conduct monthly emergency drills and maintain emergency supplies, including food and water. Every year the school also conducts an emergency drill in which the Pacifica police and fire departments often participate. Because the district is located along a major fault line, the drills have focused on safety procedures during and following an earthquake. Drills include evacuating the building, practicing securing the campus, and establishing communication protocols. After each drill, the school evaluates and revises emergency guidelines accordingly. The school grounds are monitored informally by all staff. All visitors must sign in at the front desk in the main office before coming on campus, wear a visitor's badge, and sign out when they leave. We lock the perimeter of the school after drop off so that there is only one main entry point at the front of the school during school hours. As an added precaution, we also encourage teachers to keep their exterior doors locked during the school day. We revise our School Safety Plan in September of every school year, and it is available for review at the school and on school website. There also is an emergency plan, with action items for all staff clearly outlined. We follow the BIG Five emergency procedures outlined by the San Mateo County.

Professional Development (Most Recent Three Years)

The district provides us, yearly, with three staff development days. In addition, classes are dismissed early on Wednesdays for onsite staff development. For the last several years, we have focused professional development on literacy training and are now focusing on math. Our staff continues to participate in staff training, both on and off campus, to learn about and implement the best practices in language arts and math instruction. Whenever the district adopts new materials in other subject areas, our teachers receive training from experts sent from the publisher as well as the district. We have also received professional development on strategies for creating and maintaining a positive school climate through our PBIS and SEL trainings.
