West Fargo High School is a tradition of student-centered excellence built on the belief that **it's the people** who make our school exceptional. We **work hard, embrace challenge, and build community** in order to prepare every learner to be "choice ready" for college, career, and life.

Our focus on academic growth, student and staff wellness, and choice readiness creates a culture where all individuals are appropriately challenged, supported, and celebrated. Through thoughtful systems like the Grade 9 Cohort and WIN sessions as well as the expertise and mentorship of our dedicated staff, students develop confidence, purpose, and the skills to navigate high school and beyond.

With over 90 years as the core of West Fargo, "**Legacy Lives Here**" defines our commitment to fostering belonging, engagement, scholarship, and service. From Unified Sports to AVID's focus on equity and rigor, West Fargo High School empowers all students to grow as scholars, leaders, and compassionate citizens ready to positively impact the world of today and tomorrow. #wearewestfargo #wfpackerpride
