He continues to get better day by day."

- All month we will be having a canned food drive for Monterey County Food Bank. This year our community is in need of lots of nonperishable food! This will be a contest between the 4th period classes and offices on campus with the class or office bringing in the most NON PERISHABLE food items receiving a party!! Let's all work together to help our community. ASB students will come by your classroom or office every Friday during November to collect your food items and count up how many you have brought. Thank you in advance for your support in this always important community service event!!
- Our next Intramural sport will be staff vs students dodgeball on Friday, November 14 at lunch. Be watching your Grade Level Google Classroom page for information and the sign up Google Form.
- Open Field Softball workouts will begin on Monday Nov. 10th from 3:45-5:30 and open to anyone interested
- Attention all condor volunteers! If you signed up to be a volunteer for the Community Resource Festival scheduled on Sunday November 16th, there will be an informational meeting in the forum this coming Monday at 8:00am. Be sure to check your email for an invitation and details.
