

OROVILLE HIGH SCHOOL

November NEWSLETTER 2025

Message From the Principal

OHS Families,

November is a time to give thanks and appreciate family — and we truly view OHS as an extended family made up of our staff, students, parents, and community, all working together to ensure every student's success.

Our students have had an active and engaging fall season, participating in athletics, band performances at football games, and numerous club activities. The positive energy on campus continues to grow as we close in on the second quarter progress reporting period with only six weeks left in the semester. Please remind your students to check in with their teachers and take advantage of our consultation period held every Monday, Tuesday, Thursday, and Friday from 8:00–8:24 a.m. This dedicated time helps students stay on track and reach their academic goals before the semester closes.

We're also looking forward to coming together as a community for one of our most spirited traditions — **the Bell Game on Friday, November 7th**. It's always a highlight of the year and a wonderful way to celebrate school pride and unity.

Included in this update is additional information regarding the upcoming school year. Please do not hesitate to contact us if you have questions or need assistance. We are here to help, and we look forward to a great school year!

Forms can also be picked up in the Counseling office. Office Hours 8:00 - 3:00

If your student needs to take medication during the school day, a doctor's signed authorization form must be kept on file in the attendance office. Over the counter medications, such as Tylenol or Excedrin, are not allowed on campus, and must be left in the office with doctor permission only. Attendance

Attendance

Attendance Matters

Good attendance benefits your child's education. Please call our attendance staff at extension 3310 or 3311 whenever your child is absent. Please provide the following information:

- Child's Name
- Date of the Absence and the Reason
- You can also email us at mdelatorre@ouhsd.net or smedina@ouhsd.net
- Only persons listed in Aeries can excuse an absence.

Attendance Policy

Students not feeling well while at school are to let the teacher know so they can be sent to the attendance office where the nurse can check them or the we will contact the parent/guardian to come pick them up. To avoid texting in class, we will not send passes for sick students.

Attendance Matters - Every day in class is a step toward success!

Did you know that consistent attendance is one of the biggest predictors of student success?

We know life gets busy—that's why the school calendar already includes **weekends, holidays, and plenty of breaks** to rest, recharge, and spend time away from school. From long weekends to extended breaks throughout the year, there are lots of opportunities to relax and reset.

That means when school *is* in session, it's the perfect time to show up, stay focused, and keep building toward your goals.

In October, 123 students received perfect attendance certificates and a pass to skip the lunch line. Congratulations to Mrs. Saeturn's 5th-period class for having the highest attendance on campus and for winning an ice cream party! Additionally, congratulations to Mr. Reder's class for being recognized as the most improved class and receiving top-notch booklets. This month, we will continue to award students who achieved perfect attendance in October. We will also hold a school-wide attendance challenge with a chance to win an OHS hoodie!

Tardy Policy Reminder

Perfect Attendance Certificates

We are excited to launch our Perfect Attendance Recognition Program this month! Each student who has perfect attendance in September will receive a certificate, a lunch line pass, and will be invited to take part in a special group photo for our school newsletter and social media. Let's cheer on our students as they work toward this milestone — we can't wait to celebrate their dedication!

This month, our 5th period classes are competing in the Attendance Challenge! Classes with the best attendance and the most improvement will earn prizes. Every day and every student counts — let's work together to build great habits and celebrate success!

We want to thank our families for supporting strong attendance habits. One of the most important ways students set themselves up for success is by arriving to class on time. Being on time not only maximizes learning but also helps limit disruptions for the entire class. Please remind your student about the importance of punctuality and encourage them to plan ahead so they can be in their seats and ready to learn when the bell rings. Students who receive 6 tardies will be assigned a lunch intervention, which must be served to remain eligible for Homecoming, field trips, and home athletic event attendance. Students who do not receive a single tardy all quarter will earn an invitation to our new No Tardy Party! Please encourage your students' punctuality. Together, we can build consistent routines that help every student thrive.

Cell Phone Policy Reminder

To help students stay focused and engaged during class, Oroville High School has clear expectations around cell phone use. Phones should be turned off and put away during instructional time unless a teacher has given permission for academic purposes. When phones stay out of sight, students are better able to concentrate, participate, and learn without distractions. We appreciate your partnership in reminding your student to follow this policy so classrooms remain productive learning environments for everyone.

Veteran's Day, November 11, 2025 FAFSA Login

FAFSA = Free Application for Federal Student Aid

Veteran's Day Observed – NO SCHOOL

You can create your FAFSA Login any day, but why not today!

The FAFSA is likely your greatest source of Financial Aid for any college.

Go to <https://studentaid.gov/h/apply-for-aid/fafsa> and create your FAFSA account and login. This is called the "FSA ID." Students should be able to submit the FAFSA beginning in December. Start now, save, and finish in December or January. Submitting after January is not recommended, because federal and state funding is limited.

Social Emotional

SEL Wednesdays

This year we will have Social Emotional Learning (SEL) Days every Wednesday during Advisory, between 1st and 2nd period. You can find that schedule and lessons on the links below.

Daybreak

OHS is proud of our continued partnership with Daybreak Health. Daybreak provided FREE counseling services to our students through Zoom. Use the QR code below to self refer or reach out to Lena Correa at lc Correa@ouhsd.net for more information.

We are excited that the [direct referral form](#) is ready for use! This form allows students and parents to submit a referral to Daybreak directly. This can be an especially helpful access point for students that feel more comfortable raising their hand for support in this way, as well as for parents who are seeing needs from their child at home that aren't necessarily showing at school.
