

Hi everyone,

As we continue to keep our Island community informed about the **MVRHS Building Project**, we're hoping to reach families across all schools with the latest updates and opportunities to get involved.

To help spread the word, we've created a **static image with a QR code** that links directly to the project's website. We'd love for you to include it in your upcoming newsletters to families.

Below is some sample content and image that can be copied and pasted into your newsletter. Thank you for your support!

MVRHS Building Project: The Future of Your Child's High School!

Stay informed about the [MVRHS Building Project](https://mvrhsbuildingproject.info) and what's being discussed for the school's future. Click the image or scan the QR code below to visit the project website, explore the latest plans and updates, and see how you can take part in the process.
