Spotlight Visual Arts

Academic Entertainment Inc.

Dare to Draw In-Person w/ Mark Kistler:

Students will blast off into imagination as Mark leads them through a 100% hands-on drawing adventure. With just a pencil, paper, and a positive attitude, they'll learn to add depth and perspective, unlocking the secrets of 3-D drawing.

Art League of Long Island Inc.-

Be the Artist You Want to Be: Customizable Workshops:

The Art League of Long Island provides students with opportunities to explore a variety of artistic mediums and techniques, including figure drawing with models, printmaking, painting, ceramics, sculpture, and more. This program can be tailored to meet the diverse needs and interests of individual students and districts

Moriah Britt

Watercolor Painting: Fluid Art, Flowing Ideas:

Experience the calming practice of watercolor painting! Students explore this fluid medium while learning essential techniques to create beautiful, enjoyable artwork. Moriah guides students through sketching ideas on watercolor paper, practicing tints and forms, then moving to their final compositions.

Mars Pottery Ltd.

Create a functional Toubek Drum:-

Create functional Middle Eastern Doumbek drums from clay. After firing, the artist returns for a half-day session to finish the drums and introduce traditional rhythms, connecting art and music in a unique cultural experience.
