In addition to the regular daily schedule, students engage in the following activities during the week:

Physical Education: two or three times per week in the gymnasium, Préau, or outside spaces (forest or Discovery Park)

Library: the librarians welcome students once per week for story time; students may borrow books to bring home

Fine Arts: in addition to regular art projects and music with their teacher in the classroom, students meet with a dedicated music teacher

English: the specialist English teacher visits each classroom for both dedicated English time and co-teaching with the French teacher
