Foreword:

Perhaps the most valuable result of all education is the ability to make yourself do the thing you have to do, when it ought to be done, whether you like it or not... however early a man's training begins, it is probable the last lesson that he learns thoroughly.

...The Highest Dream

"On behalf of the Lettermen's Club, I present these red roses to our new 1967-68 Homecoming Queen, Kathy Fiest.

A Time To Remember

Excitement reached its peak September 13 when former Queen Diane Winterquist crowned the lovely Kathy Fiest as the new Queen. The day was perfect for the parade and the following game. The crowd went wild as the Packers downed the Lisbon Broncos, 21 to 0. "A Theme from a Summer Place" was the highlight of the festivities as the Pawnbrokers played and the couples danced the hours away.

Junior Class captures first prize in the float contest.

A TOUCHDOWN!

The start of a lovely parade.

Is it complete...

Science Searchers

The West Fargo High School gymnasium was the site of the 1967 District Science Fair. Many excellent projects were entered and WFHS was fortunate in sending three students to the State Science Fair. Two other boys also received awards.

Jerry Hillius won a blue ribbon.

In The Round Tipping The Top Hat With Talent

This year the Drama Club presented Shakespeare's "Taming of the Shrew." The stage was set like the Globe Theater of Shakespeare's time to enable the audience to become a part of the play. An excellent cast of characters under the direction of Mrs. Luessen made the production a great success. Special credit should be given to the assistant directors, the stage crews and the make-up crews.

All that begins well, ends well.

Carol DuBois

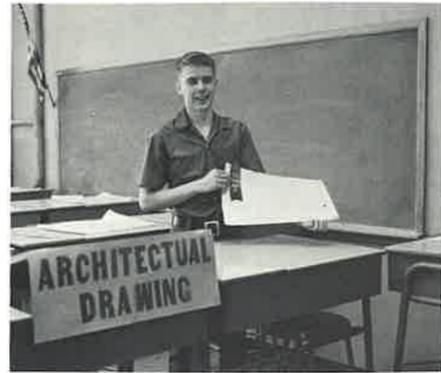

Talent abounds at WFHS as studious students show their other side in the talent show sponsored by the AFS. Jim Thompson, as master of ceremonies, kept things going between acts with his bits of humor. The Drama Club presented a one-act play entitled the "Seekers." After serious consideration by the judges, the Yeomen placed first in the Senior High Division. Carol DuBois, with her guitar accompanied solo, placed first in the Junior High Division.

"Gold! Rubies! Diamonds! Treasure untold! Money by the bucketfull! Gems and gold!"

After a long, tiring search, the Seekers finally found Death.

A Hectic Week Of Learning And Fun

Each year, various civic organizations make it possible for West Fargo High School students to attend the annual Girl's and Boy's State. City, county, and state governments are organized and officials are elected at each level. Through mock government proceedings the citizens gain new insight into our North Dakota government. More wonderful than this knowledge, is discovering true friends.

The Girls Sextet sang the Prom theme, "Somewhere My Love."

A Night Of Entertainment,

"Somewhere My Love" was beautifully portrayed in the Junior-Senior Prom on May 5, 1967. A beautiful mural depicting a scene from the show, Doctor Zhivago, was artistically drawn by Donna Stark. A delicious banquet, a formal dance and a "groovy" post prom added up to a night to be long remembered.

The Four Dons played as the couples danced into the night.

Banquet entertainment was provided by Lois Borg and Alaine Rau.

"...Bruce Sveen's initials go to any Boy Scout."

"I don't give a rip!"

Fun, And Memories

On behalf of the Senior Class, Carla Gader offered thanks for a wonderful evening.
