SPECIAL EVENTS

HOMECOMING 1979

1979 Homecoming was an exciting week. Monday started out with 10 exuberant candidates. Monday night, at 8:00, last year's king — Sid Schmidt — crowned Greg Dittmer as king, who in turn crowned a tearfully happy Darcy Hogness!

When Thursday rolled along, it was COWBOY DAY! Diane Vetter won best-dressed lady and King Greg won best-dressed guy!

Thursday afternoon, the exciting Pep Rally was held. The wheelbarrow race with contestants Peggy Gebeke, & Rita Knutson (juniors), Jodi Maluski & Sue

"RIDERS TO THE STARS"

Homecoming Royalty (L-R): Steve Rayl, Deb Schmidt, Tim Rowland, Jamie Swigum, Queen Darcy Hogness, King Greg Dittmer, Jennifer Branter, Todd Brumfield, Ann Hansen, Bruce Gaughan.

Burkett, (seniors) . . . and teachers Shirley McCaslin & Mary Knox raced around trying to shoot baskets. The **teachers** won! Thursday night, the Powder Puff game was on! Although they put up a hard fight, the Juniors lost (again) to the Seniors. At last Friday arrived — the day of the big game. The Packers led the game all the way to a 27-8 victory over the Grand Forks Central Redskins! The band led by drum major Steve Whaley & the flag girls, performed a salute to the Muppets at half-time.

The Pom pon girls also performed. After the game, the Homecoming dance was held in the gym. Albums were given away by disc jockey Shawn Waters of Q 98 and everyone had a great time dancing the night away!!

PROM 1979

1979 Prom Night . . .

The special night that everyone will remember. Remember when she almost forgot to pick up the flowers? And when he stepped on her toes?? Prom was too soon over, But it will forever be cherished in our memories & in our hearts.

For the main address of the 1979 Speech and Theater Banquet, Lt. Governor Wayne Sanstead, a former Thespian, appeared commending each member of the speech team and Thespians for their work. "The Devil and Daniel Webster" is a legend about an argument between Senator Daniel Webster and the Devil. A neighbor of Webster's, Jabez Stone, sold his soul to the devil. Prosperity soon became a reality for Jabez and he was being sought after as a candidate for the U.S. Senate.

On his wedding day, as the townspeople were gathering for a Wedding feast and dance, the devil came to claim Jabez's soul! So, Webster took Jabez's case to a Jury that the Devil picked!

This was a three act comedy centered around the lives of a "typical" Victorian family, the Clarence Day's. Clarence Sr.; or father, was a very logical man and liked his family run in a business like fashion; but his wife Vinnie was a bit flighty and just couldn't understand the business world. But when Vinnie discovers, purely by accident, that Clarence isn't baptized, a full fledged war erupted. Minor plots included a romance between the eldest son, Clarence Jr. and Mary Skinner; a brief sojourn by the second son, John, as an old time peddler of home-made medicine; and a surprise visit from Cousin Cora.

PAST PRINCIPAL, *PRESENT SUPERINTENDENT*

We dedicate this Yearbook to a dedicated man — Mr. Marvin Leidal. Mr. Leidal, originally of Hunter, ND had been principal of WFHS since 1968. From 1960-1968, he taught math here.

Mr. Leidal was appointed superintendent August 22, 1979, but a new principal wasn't found until October 1, so Mr. Leidal did both the superintendent's duties **and** the principal's job.

Mr. Leidal had worked (and still is working) very hard for WFHS and its image. Therefore, we would like to wish him much luck with his new job!!!

BAND — MAKING BEAUTIFUL MUSIC

our basketball halftime show, and the funny times had at games will never be forgotten. The Stage Band went to the Fargo North Jazz Festival and also played several concerts. The Concert Band plays at all the school concerts. Overall, the band and its members had an exciting year, and hope that next year will be even better. Pictured at left is the Jazz Combo; members are (L-R) Brian Rust, Todd Merrill, Steve Becher, Mr. Loken, Tim Green, Bill Chale, Cathy Nelson, Kari Spitzer, and Karen Zeller.

This year, Concert Varsity Band provided many fun and interesting experiences for its members. Under the direction of Mr. Whaley, the band played at football and basketball games, presented a Homecoming halftime show saluting the Muppets, played several concerts, and attended the Fargo North Band Festival and played in the N.D.S.U. Homecoming parade. Things such as "T.G.I.F.", "España",

We had a great deal of fun making this year's yearbook. We worked extremely hard, but we had many laughs, too. Perhaps the following examples will demonstrate some of our philosophy at our daily Yearbook meetings: Quit singing! ... what a flake ... ring my bell ... "The Jerk" ... Dear Cow ... jokes ... who gets the pop? ... WHO'S WING FONG? ... bring your camera tomorrow ... What's a pica? ... "It's the 14th all day" ... t. p.-ing the WHOLE DORM

FLOOR! ... our deadline was LAST WEEK? ... "Sonja's number is the same as the Barber Huts only backwards" ... HEY MIKEY!!! ... Carter speeches ... don't touch her! ... "What pompon page?" ... testing pop bottles ... 7 a.m. and only Sue showed up ... who sleeps with a cow snoring ... GET TO WORK!!! My car is broken down ... Feb. 14 ... KLUTZ ... Tennis racket drawings ... "think of something for me to do" ... the year of the "OH" guys ... we certainly had a wild and CRAZY year!!!!!!

STUDENT COUNCIL CONSTITUTION PREAMBLE

We, the students of West Fargo High School, in order to provide a means whereby students may be represented in matters concerning the student body, and to encourage scholastic advancement, school spirit, ideals for friendliness, fair play, and loyalty, do establish this Constitution for the Student Council of West Fargo High School.

NATIONAL HONOR SOCIETY

"Scholarship, Leadership, Character, and Service" are the terms describing the qualities of involved, busy National Honor Society students.

Each fall the NHS highlight is the traditional "egg power" fund raising drive, with a get-together afterwards at Mr. Mithun's home. The early spring finds NHS students involved in the state convention, which was in Grand Forks this year. We hope the state convention will be hosted by West Fargo next year!

In early May the NHS year is climaxed with the candlelight installation ceremony for newly-chosen members, followed by a reception for all members and their parents.

ART

For the past few years, the WFHS Art Club has been active. The purpose of the Art Club is to promote art at WFHS, and to get them involved.

With the money raised from various activities, we have done the following: hosted art shows at West Acres, taken charge of Graduation and Homecoming decorations, taken a trip to Fargo and Moorhead Art shows, and gone to Winnipeg, Canada. Our Officers are:

PEP CLUB

The Pep Club has been enthusiastically involved in raising the school spirit this year. They have been involved in all senior appreciation activities, selling Pep Club T-shirts, and they sponsored the Homecoming dance of 1979. The Pep Club met every Thursday morning at 8:15, and discussed upcoming events and learned new cheers, taught by the cheerleaders. The Homecoming dance was very successful this year. The members of Pep Club worked decorating before the dance, sold concessions during the dance, and helped clean up after the dance. This year's officers were as follows: President Cathy Nelson, Vice-President Kari Spitzer, Sec.-Treas. Faye Vigen.

Row 1: Dave Mootz, Zainal Hasibaun, Mark Urness, Dave LeKang, Brian Hakanson, Marty Heiden, Rich Asleson, Dave Erdman. Row 2: Joe Tintes, Mr. Clint Larson, Scott Kjelland, Scott Christiansen, Brock Johnson, Doug Johnson, Kevin Dockter, Todd Jess, Rick Jalbert, Teddy Waa.

INDUSTRIAL ARTS

The Industrial Arts club is an alternative extracurricular activity for those interested in group activities, but not those related to sports, music or drama. We do community services for the aid of the city and its citizens and schools. We explore woodworking, metals, plastics, and other related industrial arts activities beyond the typical classroom situation. Officers are President Jim Hagel, and Sec.-Treasurer Mark Laber.

Row 1: Rick Jalbert, Kelly Gunderson. Row 2: Jeff McCracken, Jim Jenson, Donnie Schatz. Row 3: Mark Laber, Jim Hagel, Advisor Rich Cwikla.

CHESS

The purpose of the club is to promote a life time hobby. We met every Tuesday after school and encourage players to participate as often as possible.

We play in several local tournaments and the North Dakota Scholastic Chess Tournament. We would like to see a greater awareness of the club and hope to promote it by an in district tournament this year.

FLC

This year the FLC has done many things. We sold candy (galore) sent some students to France (parlez-vous Deutsch?), went to Godfather's (Terri, you **can** go 55 on the highway!), made pretzels (Oh, yuk, cardboard!), talked (especially our treasurer), and sold more candy! Next year we plan to send some students to Germany, again (Nein, ich spreche nicht Français!). Our officers this year are:

GERMAN TRIP — GREAT EXPERIENCE

Row 1 (L to R): Foreign Language teacher Kathy Neugebauer, Theresa Smith. **Row 2:** Barb Ganyo, Steve Uline, Lynn McCullough. Not Pictured: Tracey Neff.

Last spring we went to Germany on a program called I.S.E. (Intercultural Student Experiences). We made an agreement with them that we would speak only German and at times it was difficult. It was for two weeks. The first week we toured the southern countryside of Germany. We visited castles, museums, and very old towns such as Rothenburg and Rudesheim. We also traveled through beautiful forests. The second week was the biggest test of our skills.

Each student stayed with a family, many of which couldn't speak English. We lived with the families, discovering new customs and eating new dishes. Some students even went to school with one of the kids of the family. After the family-stay, we went to Munich and stayed there for two days; we had a lot of fun seeing such a big city and getting lost in it. The trip was such a great experience that we will never forget for the rest of our lives!

Hi,
 My days here are filled with new ideas, new experiences, and new insights, even though during the first few months, I felt really awkward in everything I did.

Speaking English is the one thing that became challenging and sometimes brought frustrating days.

The weather is extremely different to me, and I wonder how I will get used to it.

I realize that my year here could be a big impression on my life.

I would like to thank AFS (especially my chapter), and the community especially my host family, because they made my year here possible.

AFS — SUMMER ABROAD

KRIS RICHTER

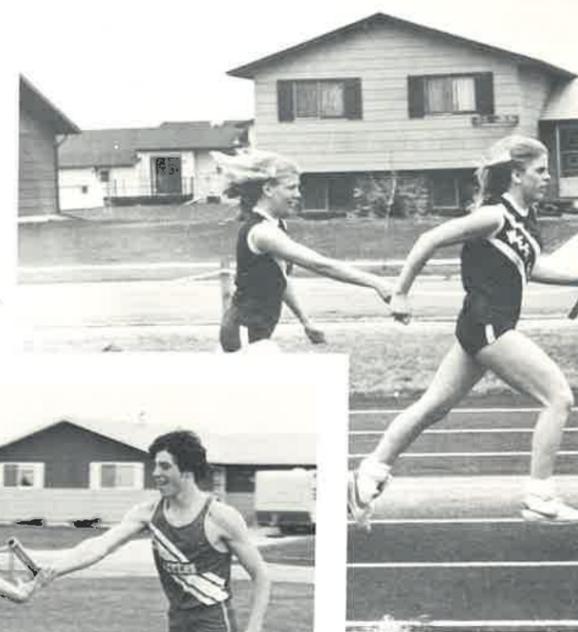

Konnichiwa!!
My summer started off in San Francisco. Through orientation, I realized there was more to Japan than Hondas and rice! It didn't hit me until the plane landed in Tokyo that I'd be 8,000 miles away from home for 11 weeks! After 5 days of cramming Japanese culture and language, I traveled to Osaka, my summer home. My host mom, dad, 8 year-old brother and 4 year-old sister were terrific. They helped me to make the adjustment to Japanese lifestyle easy. I was lucky to have been able to attend school for 4 weeks. Trying to communicate was challenging, but fun. When vacation began in July, my family and I traveled all over Japan — they showed me much of their beautiful country. Through the AFS program, I had an unforgettable summer. Living with a family and sharing your lives with each other means so much more than just being a tourist! Sayonara!!

JONI WILLIAMS

After waiting for what seemed an eternity to find out where I'd be spending my summer, I was informed that I'd go to Thailand. I lived with my parents and our maid in Bangkok. It was huge! Parts are very developed, but others are still very primitive and underdeveloped. All of it is hot and dirty. The school I attended all summer was run by the Gov't. It was a poor school, with some classes held outside. All students, including me, wore uniforms, as did most teachers. I did many things last summer that I had never done before, such as riding an elephant and swimming in the ocean. I visited a crocodile farm near Bangkok, and went to the royal palace. The people of Thailand were, for the most part, friendly and smiling. I made many Thai friends who generously showered me with homemade gifts when I left! The smiles, the laughter, the tears, the friendship, and the good-byes are things that will stay with me forever!

Showin' off again are Senior Trackmen **(top)** Randy Wipf, **(middle)** Dave Sorenson, Jeff Hillius, **(bottom)** Rick Zabel, Sid Schmidt & Steve Reber!

The 1979 WFHS track team had a fairly successful season placing high at Packer relays, EDC, and Regional track meets. Thirteen Packer Speedsters were sent to the State Meet in Minot. Among them were Rick Zabel, Randy Wipf, Dave Irwin, Dave Sorenson, **Doug Parsons, Steve Rayl**, and John Alin, who broke the school record in the mile run at State.

Winning awards at the spring banquet were Rick Zabel — most valuable, Dave Irwin — hardest worker, and Doug Parsons — most improved.

Although the athletes did well this season, bigger and better hopes are planned by those returning in 1980!

The 1979 Girls' track team was quite small but never quit! We competed in rain, wind, and snow. It was quite a challenge. Some of us died at practices, but everyone seemed to put their hearts into the meets. Four tracksters went to the state track meet. They were Renae Lemieux, for long jump and mile relay; Nancy Brand, DeAnn Olson, and Sandy Bjorklund for the mile relay. The long hours of practice really paid off!!

GOLFERS HAVE GOOD SEASON

(L-R) Row 1: Mike Maluski, Dan Levin, Gregg Selberg. **Row 2:** Coach Gad, Kevin Loegering, Dave Soullis, Curt Critelli

Although the 1979 Golf season was cut short by the floods, the team was very successful. The team missed qualifying for state by only 6 strokes, which is the closest any West Fargo Golfers have come to qualifying as a team. Gregg Selberg missed qualifying for the state meet as an individual by 1 stroke.

Although it was a short season, it was a season to remember, and in 1980, we will be losing 3 seniors, but the outlook is still promising.

GIRLS' TENNIS

Leslie Walkin returns the ball.

WFHS's 1979 girls tennis team put up a tremendous fight this season having 186 wins and 238 losses. Gary Clark was the coach. When awards were given, Joni Williams was chosen as hardest worker, Becky Olsgaard was named most valuable player, and Jo Smith was acclaimed most improved.

Basketball is one of the most highly respected sports in this school, and deservedly so. This year held many memories for us, from Deano's post maneuvers and Waylon's singing, to Schmidy's lollygagging and E.B.'s hacking. We seniors would like to thank Coaches Torgrimson and Gad and the underclassmen for an excellent year, and we would also like to wish them luck for next year!

The 1980 hockey season was a different kind of season. We were down in numbers, but we had more dedication than in previous years. We still practiced outside in the cold but, we didn't let that stop us. Randy Krabbenhoft was the years leading scorer, and Jim Zvirovski was our goalie. Graduating only 2 seniors this year the pack is hoping for a stronger next year.

GIRLS SWIM TEAM

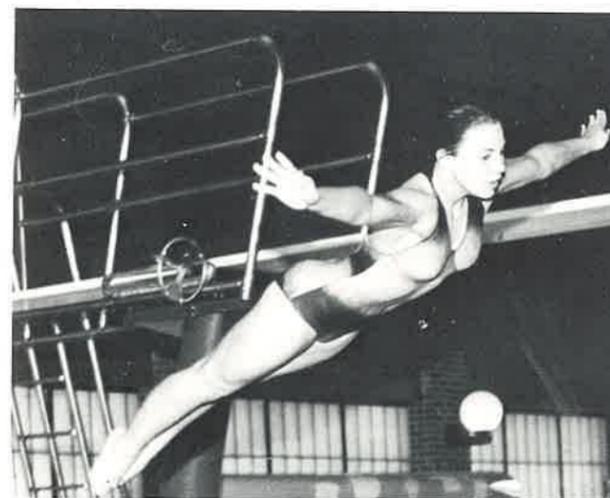

1st Row (L-R): Kim Eastman, Missy Merkes, Cathy Scheet, Lori Lammer, Kim Helm, Sue Summers, Michelle Shepard, Julie Moen.
2nd Row: Coach Beylund, Clem Lanson, Deb Schmidt, Jill Shoman, Ardene Phillips, Roxanne Wavra, Debbie Butler, Kari Krabbenhoft. **Not Pictured:** Sherry McNally, Mari Pierson, and student manager, Wendy McCrory.

The WFHS Girls' Swim Team was new to the school this year. We had a successful season, sending eleven people to state. (whose size C is this?) They were Debbie Butler, Lori Lammer, Clem Larson, Sherry McNally, Ardene Phillips, Mari Pierson, Julie Moen, Cathy Scheatt, Deb Schmidt, Sue Summers, and Roxanne Wavra.

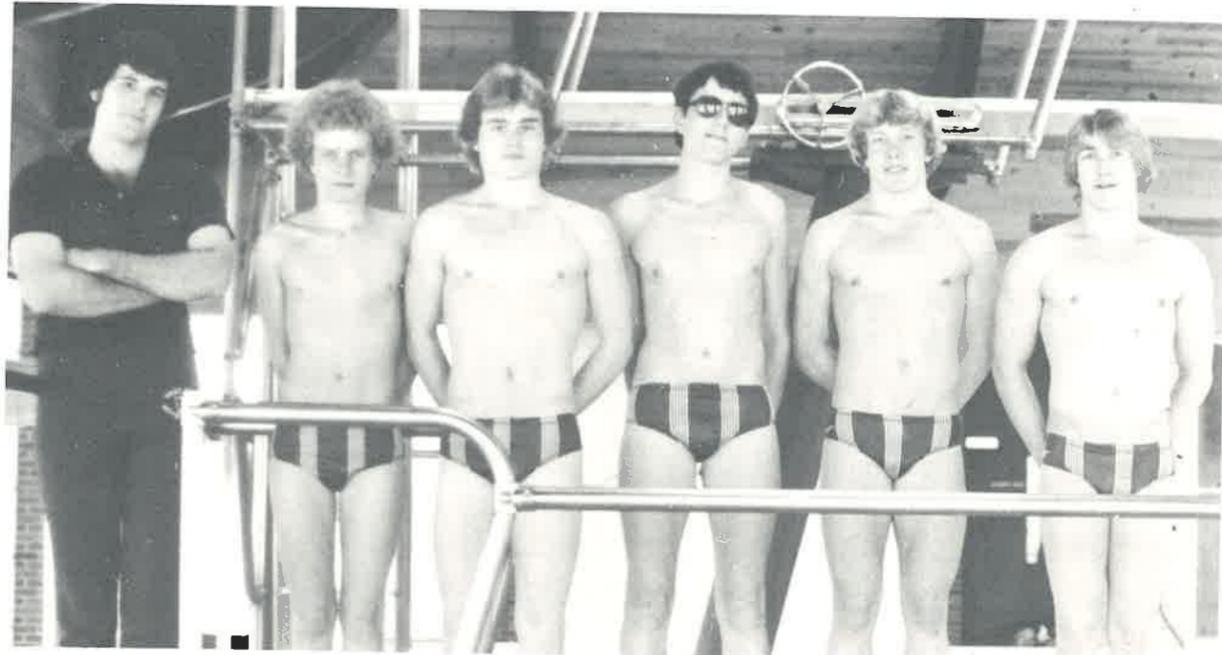

Debbie Butler does the butterfly.

Deb Schmidt does a layout dive.

Wendy McCrory, our student manager, really kept up our spirits. Coach Pam Beylund and Ass't Coach Mike Polley really taught us a lot. Since the team only had one Senior, Deb Schmidt, we will have stronger and better swimmers next year.

SWIM TEAM KICKS OFF

(L-R) Coach Polley, Kelly Jacobson, Jay Hamann, Mark Zeh, Laine Almquist, Dave Hamann.

This year, we did a great job despite lack of members. Dave Hamann qualified for state in all 8 individual events. Laine Almquist, team captain, and Mark Zeh qualified in 4 events, while Steve Peterson in 1 event as did Kelly Jacobson. Jay Hamann also went as a member of the relay teams. Special thanks goes to Coach Mike Polley for his dedication, and to assistant Coach Pam Beylund. Thanks also goes to student managers, Cathy Crawford and Laura Scheett, for lugging everything around for us. Although the team lost all of their meets, they could get first in all of their events.

O.K. Boney, "20 laps!" ... Mark, Mark, the Aardvark ... You dumb Norsky ... "Head Job" Hamann ... Late for finals because of early practice ... Ants! Ants! Ants! ... Shut up, Big Guy! ... You're insane, Dave! ... get out of the water! ... Bus broke down on the way to Jamestown ... Jay the card-sharp ... Boney, you fuzz-head ... Zeh keeps hurting his back ... If you don't do 28, don't get out ... If I could cut 10 second I'd smoke 'im ... Laura always wins ... Laine-a-Baine ... Will you guys cut it out back there? ... Hey, coach, how about I go out tonight? ... You disqualified the 200 IM ... Kick the turns, Steve ... I'll give you a ride in my Mexican Machine ... You look like the "Baron of the Sky" with that cap ... All my stuff's gone ... What a great year!

GYMNASTICS — A GEAT YEAR!

Front Row L to R: Angie Domier, Julie Larson, Missy Merkes, Julie Moen. **2nd Row:** Cathy Martin, Tina Hoganson. **3rd Row:** Melissa Backer, DeAnn Tollefson, Barb Slieter, Julie Summers. **4th Row:** Coach Herda, Jill Oldham, Michelle Fleming, Student Manager Wendy McCrory. **5th Row:** Coach Kirchgasler, Sue Urness, Tracey Bean, Amy Powell, Kari Krabbenhoft. **Back Row:** Peggy Gebake, Clem Larson, Suzann Hirning, Jackie Ellenson, Deb Schmidt, Coach Anselmin.

The day begins with the same old thing "Warm-ups!!!" Start with jumping jacks with kicks. Stretching out. Now to the equipment. The Floor Exercise: Making up routines, learning new tricks, Kari's strip tease, floor pattern. The Beam: Mounts, dismounts, falls, 1 min. 30 sec., too long, Deb's chalk marks, new suede beam. The bars: torn hands, no chalk, broken bars, bruised hips, the weights, Clem's Eagle. The vault: new air board, harder vaults, Suzann's bent knees, new crash pad.

Two Seniors this year. But the best thing this season was a new coach. Male, cute, shy, quiet, a teaser.

Peggy Gebeke jumps the vault.

The pompon girls encourage and show spirit by providing entertainment at home football games, basketball games, and wrestling matches.

Their dedication includes practicing at least three mornings a week and such work results in fun and pride in one's school.

THE EDITORS

This year certainly has been "Wild and Crazy." For instance, Mr. Olsberg smiled — a milestone in the history of the WFHS Yearbook — and we had a very interesting (to say the least) staff.

We would like to especially thank Mr. Michael N. Collins, our yearbook representative, and Mr. Ward Galbreath, our yearbook advisor, for all of their help. We also would like to thank our faithful (?) staff members (who?) for helping us (Get outta here!) get the yearbook planned (page 21 moved 5 times) and finished (February 14)! We couldn't have done without them (We think . . .)!

We shall always remember great "Wild and Crazy" times such as after basketball games (The hot ones), dances, parties ("What Key?"), and other fun experiences.

Also, if you have any complaints, about this yearbook, please feel free to direct them to the circular file (Garbage Can) in Room 210.

Have a Wild and Crazy next year!!!!

The Editors,
Theresa Smith
Terri Zeh
