

October 15, 2025

Hello Cumberland Community,

Welcome to the Cumberland Connection, our school newsletter where we share information and updates with our community.

The Imagination Library

The Imagination Library is now available to families in Santa Clara County. Through this program, families who register will receive one free book each month for every child ages 0–5, delivered directly to their home. Books are available in English or Spanish, making it an easy and meaningful way for families to build their home libraries and nurture a love of reading from the earliest years. For more information please visit <https://scclld.org/imaginationlibrary/>

The Great Shake Out October 16, 2025

Cumberland will be participating in The Great Shake Out for our monthly earthquake/fire drill. Every third Thursday of October, is a day of individual and community earthquake drills organized to inspire others to get ready for big earthquakes. What we do to prepare now helps protect us should an earthquake occur. For more information visit <https://www.shakeout.org/california/>

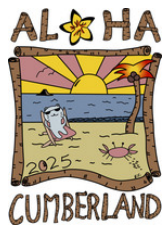

Sunnyvale DPS Monster Mash

On October 25, 2025 the Sunnyvale Department of Public Safety will be collaborating with PRAGNYA for a special event. They will be hosting a Monster Mash aimed at fostering understanding and supporting connections between law enforcement and neurodiverse individuals. For more information and to register please visit <https://www.pragnya.org/frnds>

NWEA Assessment Reports

One of the local benchmark assessments the Sunnyvale School District administers is the NWEA in reading and math. Your student will complete the NWEA assessments three times during the school year. After each administration student reports will be provided to families. The first of these administrations has been completed. Families have either received or will be receiving their child's NWEA reports by the end of this week. We are also including the following letters [MAP Reading Fluency Letter](#) & [MAP Growth Letter](#) to help provide information regarding each report. If you have any questions please fill out this [form](#). We will then use these questions to develop a FAQ to help respond to families questions.

WALK-A-THON Friday, October 24, 2025

We are very excited for our Walk-A-Thon on Friday, October 24 starting at 12:45pm and look forward to seeing our students and their families at this fun filled event.

This beloved Cumberland tradition brings together our entire cougar community for games and activities while raising funds the PTA uses to support our school.

The team is still looking for volunteers so if you are able to help please click [here](#).
