

# NORTH KANSAS CITY SCHOOLS

## INCLEMENT WEATHER PROCEDURES

### TRADITIONAL SNOW DAY

The first inclement weather days will be a traditional snow day with no in-person nor virtual classes.

### FOR STUDENTS

- Optional enrichment activities will be available online.
- Adventure Club will operate at their snow day sites.
- Evening activities and classes will be canceled. Exceptions will be posted on the district website.

### FOR STAFF

- Log in to Employee Online to confirm your work calendar.
- Teachers are not required to work, but are asked to link activities online for students.
- The first snow day is not required to be made up.

### VIRTUAL LEARNING DAY

Beginning with the second snow day, we will implement virtual learning days – up to six, if needed.

### FOR STUDENTS

- All students will be expected to log in and participate in online/video classes at scheduled class times.
- Adventure Club will be open at snow day sites. Students should be prepared to participate in virtual learning.

### FOR STAFF

- Teachers will work from home.
- All other staff will follow existing expectations for reporting to work or working from home.
- These days would not be required to be made up.

### TWO-HOUR DELAYED START

When daylight and additional time to treat roads mean safe passage is possible for students, we will use a delayed start schedule.

### FOR STUDENTS

- The school day will begin two hours later and end at the regular end time.
- All buses will pick up students two hours later than regular pickup times. Drop-off times will NOT change.
- Alternate stops for buses will be in effect.
- Early Education, HSAP, and other special programming may follow an alternate schedule.
- Adventure Club will operate at all schools for those already enrolled from 6:45 a.m. to 6 p.m.

### FOR STAFF

- All staff members should arrive to work at their normal scheduled start time. In all cases, staff should use caution and good judgment when traveling in winter weather. Flexibility will be given for longer-than-usual commutes due to road conditions. Schedules for the day may be adjusted based on your role and hours; supervisors will approve those adjustments as needed.
- Delayed start days are considered full school days and are not required to be made up.
