Nov. 14th Cool Science
9:30-11

Nov. 19th
Southeast State
Test

Nov. 21st
Explorer Day

Nov. 24-28
Thanksgiving Break

5th Grade Update

Our students did such a **wonderful job today with their recitations of *The Gettysburg Address*!** It was a joy to see their confidence and hard work shine as they shared their presentations in class. We're so proud of their effort and are looking forward to next Tuesday, when they'll perform the recitation at our **school-wide Veterans Day Assembly** — a very special way to honor those who have served.

Please keep helping your child practice the **Southwest states and capitals** at home. The test will be **the week before Thanksgiving**, giving everyone a chance to relax and enjoy the break once it arrives.

On **Friday**, students will enjoy a visit from **Cool Science** right here at school! This in-house field trip is always full of excitement and wonder as students see amazing experiments and explore the fun side of science.

This year our 5th grade students have been given the honor of reciting the Gettysburg Address at the all school Veterans Day assembly 11.11.25. We are excited to share and would love to have your join us!

Explorer Day Volunteering

Adventure is on the horizon! Keep an eye out for an email from your child's classroom teacher about **Explorer Day volunteers** - we'll need some parents to join us for the fun and others to help provide snacks for our young adventurers.

Explorer Day is one of our favorite events of the year! Students will step into the role of real explorers, searching for treasure, and solving clues!

Curriculum

Spelling – List 7 Rule 17

Math – Test Monday. Dividing Fractions 6.1-6.4
