

Superintendent's Snapshot

MARICOPA UNIFIED SCHOOL DISTRICT

November 7, 2025

Dear MUSD Families,

HONORING ALL WHO SERVED

This week, we came together to celebrate and honor the service of MUSD veterans and their military families at our annual Veterans Breakfast. Their actions remind our students to live with purpose and contribute to their communities.

The [Maricopa High School AFJROTC Missing Man Ceremony](#) was a solemn tribute to the fallen, missing, and captured military service members. We were also honored to hear from a special guest speaker, Will Cochran, a retired Master Sergeant from the United States Air Force and a valued MUSD staff member, who reflected on what service means, both in and out of uniform. Students from our culinary, choral, and dance programs contributed their talents, adding depth and meaning to this special occasion.

To every service member, past and present, thank you. You inspire us to uphold the values of hard work, self-discipline, patriotism, and service.

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman
Superintendent, Maricopa Unified School District
