MARCHING TO THE TOP

The marching band continues their competition season...

At the JMU Parade of Champions, the marching band finished 1st place in group 4A out of 12 bands in the division, and 6th among 60 total bands from around the state.

Last week at the Shenandoah Valley Invitational, the band qualified for Finals (top 10 out of 26) with a great prelims performance. They placed 3rd in finals out of all bands.

PREMIER JAZZ

Congratulations to Isaac Jennings (drums) and Alex Mayhood (tenor sax) on being selected to the All-State Jazz Ensemble. Both placed 2nd in the state and get to work with world class jazz musician Wycliffe Gordon as part of the All-State group in November.
