

# Pupil Leadership Team Newsletter

## AUTUMN ONE

Welcome to our very first newsletter of a new year! We are very excited to share with you all everything we have been working on so far and all the wonderful things we have coming up.

## PLT UPDATE

As a team we have come up with a number of different events throughout the calendar year. Within pupil leadership team we are looking to further enhance pupil voices throughout the school. This is why we will be introducing several pupil voice suggestion boxes across our Nant and Gwyn buildings. This will allow for lots of different feedback from pupils and staff across all areas of the school with the direct impact of uplifting school experiences.

We have been meeting regularly with each other but also with Miss James, to put together a calendar of events for our pupils throughout the school. Together, we are looking forward to sharing our vision and ideas with Ms. Morris and the governors.

This half term, the pupil leadership team have delivered assemblies to all pupils as part of an update on what we have been working on and to run our first round of form representatives, using pupil voice. This activity focuses on pupils' views linked to our three key areas in line with the SIP.

This year PLT is excited to enhance pupil voice across all areas of Ysgol Nantgwyn.
