Superintendent of Schools

Dear Class of 2025,

You started your senior year with what will be a long-standing tradition for Broadalbin-Perth graduating seniors: the painting of your personal parking space in the senior parking lot. It was no surprise to me that your class wanted to start this tradition.

Please know that a simple parking space represents more than colorful paint on asphalt. For you (and this class), it represents your unique qualities, differences, and aspirations. I am pleased to tell you that I have enjoyed glancing at your parking spaces this past year, perhaps even more than you have!

By starting this tradition, you, the Class of 2025, forever changed Broadalbin-Perth. You made your school better, and you made your community better. For that, I couldn't be more grateful. Never underestimate the power of a simple gesture or idea. You never know how it can change the course of history!

Good luck in your travels, wherever they may take you. Remember, you will always have a place to call home in Broadalbin-Perth.

High School Principal

As another school year comes to a close, I find myself filled with a deep sense of pride in all that you have accomplished — both individually and as a school community. Whether you're wrapping up your junior year or preparing to walk across the graduation stage, this year has been a chapter filled with challenges met, friendships strengthened, and growth that goes far beyond the classroom.

To our **seniors** — congratulations! You've left your mark on our halls, our hearts, and our history. As you take your next steps into college, careers, or new adventures, remember the resilience you've built here and the community that will always cheer you on.

To our **underclassmen** — keep reaching, questioning, and striving. Your journey is just getting started, and we can't wait to see where your path leads.

No matter where you go or what you do, carry with you the lessons of kindness, hard work, and perseverance.

Wishing you all a safe, joyful summer and an exciting future ahead.
